

Base Ball!

Emmet will open the Base Ball Season
at home on

Sunday, May 14th
WITH ATKINSON.

On Friday, May 19th; Long Pine and Emmet
will play on the Emmet Diamond. These will be two
good games as both towns have good teams.

YOU ARE INVITED

PROGRAM—STAR THEATRE.

Week of May 15 to 20, inclusive.

MONDAY—A 7 Reel Blue Ribbon Feature: "The
Island of Surprise." A high grade feature, 10 and 20c.

TUESDAY—A Home Talent Play by students of the
High School.

WEDNESDAY—12th chapter of "The Girl and the
Game." Always good.

THURSDAY—5 Reel V. L. S. E. Feature: "The
Circular Staircase."

FRIDAY—5 Reel Gold Rooster Play. "An Affair of
Three Nations."

SATURDAY—5 Reel Big Four Feature: "The Cycle
of Fate."

AT THE STAR OF COURSE.

MORE LOCAL MATTERS.

CLEAN MILLET SEED FOR SALE.
—Neil P. Brennan. 48-4f

Rev. and Mrs. C. R. Parkerson re-
turned from Omaha Wednesday.

Dr. W. P. Higgins and Dr. McKee
of Atkinson were in O'Neill last Fri-
day attending the annual K. C. ball.

Bliss Mosely arrived Saturday
evening from Belden, Neb., and was an
over Sunday visitor at the J. W. Ship-
pey home.

Mrs. L. C. Peters arrived in the city
last Sunday night and "Pete" has been
busy the past few days looking up a
residence.

Mrs. George Bowen spent the fore-
part of the week visiting at the home
of her sister, Mrs. Herman Guse north
of this city.

M. G. McCune of Lincoln, deputy
state fire inspector, was in the city
Wednesday inspecting buildings with
a view to reducing fire hazards.

Walt Campbell, who has been at-
tending Creighton College the past
year, arrived home last evening to
spend a few days with home folks.

Mrs. C. P. Rhodes of Fort Wayne,
Indiana, arrived in the city the first
of the week for a protracted visit at
the home of her parents, Mr. and Mrs. W.
T. Evans.

Miss Opal Shippey went to Wayne,
Nebraska, Monday morning to visit
her friend Miss Mable Gary. She will
return the last of the week with her
brother, Clarence.

M. J. Sanders of Norfolk, Neb.,
district commercial manager of the
Nebraska Telephone Company, was in
the city yesterday looking after the
interests of his company here.

H. J. Hammond, Michael Horriskey

and J. P. Golden went down to Fremont
last Monday morning to attend
the state convention of the Knights of
Columbus as delegates from the local
council.

Wm. F. Kelley, son of Mr. and Mrs.
J. J. Kelley, who graduated from the
Creighton College of Law last week,
arrived home last Saturday night to
spend a few days visiting home folks
while looking up a location.

E. H. Whelan, district deputy of the
Knights of Columbus, went to Emers-
on last Sunday morning where he in-
stituted a class of fifty members.
From there he went to Fremont where
he attended the state convention of the
Knights, which was held in that city
the forepart of the week.

Deputy Postmaster Frank Schmidt
is organizing a militia company, having
been commissioned by Gen. Philip
Hall, adjutant general of the Ne-
braska National Guard for that purpose.
About two dozen names have
been secured already and Mr. Schmidt
is of the opinion that there will be no
difficulty in securing enough members
for a company. Military training is
good for young men and The Frontier
hopes that the promoters will be suc-
cessful in organizing a good company
here.

John Welsh, Emmet's hustling
liveryman, was an O'Neill visitor last
Monday. John says that Emmet and
Long Pine had quite a ball game last
Sunday, which went five innings with-
out a score and then the wind reached
such velocity that good fielding was
impossible and the score ran up, Long
Pine getting the long end. They will
have a return game at Emmet within
the next ten days and it gives promise
of being about the best article of ball

seen in this section for some time.
You should get ready to attend.

Clyde Templeton, who has been
foreman on the Holt County Inde-
pendent the past eight years, has
purchased the Page Reporter and will
take charge of the same the latter
part of the month. Clyde is a fine
printer and will give the people of
Page a number one newspaper. Milo
Taylor, who has conducted the Re-
porter the past three years, will go to
Idaho where his parents reside. Mr.
Taylor has given the people of Page a
splendid newspaper and his many Holt
county friends wish him success
wherever he may locate.

F. C. Watson of Amelia, who is the
republican candidate for supervisor
from the Sixth district, was an O'Neill
visitor last Monday and made this
office a short call, extending his sub-
scription to The Frontier. Mr. Watson
is one of the pioneers of southwestern
Holt, having been a resident of that
section for twenty-four years. The
splendid vote he received at the
primaries is evidence of the esteem he
is held in by his acquaintances. He is
well qualified for the position to which
he aspires and will no doubt be
elected by a splendid majority.

This morning J. F. O'Donnell re-
ceived a letter from Barney Efting,
who is well known to all the old-time
residents of this city, announcing that
he would have an exhibition here at
the Star Theatre on Wednesday even-
ing, May 17, a film in which he took
one of the prominent parts. A few
years ago Barney made a reputation
here as a man who tried to out pull a
horse and failed and in failing he lost
about fifty "bucks." He has many
friends here, however, who will at-
tend the show to see if he is more suc-
cessful as a movie actor than he was
as a strong man?

John J. Shannon, who graduated
from Creighton College of Law last
week, arrived in the city Wednesday
evening to spend a few days look-
ing over the Emerald Tinted city and
visiting friends. Mr. Shannon is one
of the democratic nominees for the
legislature from Douglas county and
he is of the opinion that he will be suc-
cessful in the battle of ballots next
November and will spend the coming
winter in Lincoln. Mr. Shannon was
the captain of last year's Creighton
foot ball team and has the reputation
of being one of the best foot ball men
ever turned out by Creighton Uni-
versity.

The residence of William Fallon, one
of the most imposing in the northern
part of the city, was seriously
damaged by fire last Friday night en-
tailing a loss to Mr. Fallon of about
\$2,000. The fire was discovered about
12:30 in the attic and by the time the
fire department arrived upon the scene
had gained such headway that it was
thought for a time that the building
could not be saved but prompt action
by the department saved the building,
but the loss to the contents and build-
ing is estimated by Mr. Fallon at
about \$2,000. He had insurance of
\$700 on his furniture and \$1,500 on the
building.

Fred Cronk, one of the old time
residents of eastern Holt and also one
of its most successful farmers and
stockman, was an O'Neill visitor last
Friday and favored this office with a
call, extending his subscription to this
household necessity. Fred is a sub-
stantial citizen and an ardent repub-
lican. Time was when the editor
and Fred could not agree on party
policies but today we are together and
believe that with Justice Hughes as
the standard bearer of the republican
party that there will be nothing to the
election this fall.

The baseball fans in the Knights of
Columbus have organized a base ball
team and expect to put O'Neill on the
map in a base ball way the coming
summer. Pat Hartly has been selected
as manager and he says that they are
determined to clean everything in a
base ball way in this section of the
state this summer. The local Knights
have splendid material and we expect
they will put up such a classy article
of ball this summer that Pa Rourke
will be sending his scouts here to try
and nab some of the stars of the team
for his Western League bunch. B. H.
Watson is the star twirler of the local
Knights team and the boys say that
Watson has class as well as expe-
rience, as he performed upon the
mound for several of the star teams of
South Dakota, prior to his removal to
this city. On the receiving end Dr.
Hombach has won a permanent
position. The Doctor, prior to re-
ceiving his degree in medicine, was a
state leaguer and won a splendid
reputation as a ball player, being
classed as one of the best catchers in
the Nebraska loop, which was noted
as having some of the best ball players
that were in minor league company.
In addition to these stars the Knights
also have that old star of the game,
Hugh Boyle, who is able to play any
position in the infield and play it well.
Then Eddie Tomsik, who is noted as
one of the hardest hitters that has ever
been upon a ball team in this city, will
hold down second and spell Dr. Hom-
bach behind the bat. Then Hugh
Coyne, who a few years ago was rated
as one of the fastest twirlers in this

Saturday, May 13th

IS

SUIT DAY

JUST COME

O'Neill

The Seed Hopper and Spout being
mounted on the beam eliminates
telescoping, because both are
raised with the beam and are al-
ways in the same relative posi-
tion to each other. No chance
to clog up or get out of order.

Variable Drop, controlled by a
hand lever conveniently placed
near the hopper insures accu-
rate dropping. An opening in
the spout enables the operator
to see the seed passing down.
Planting distances may be
varied 12 to 22 inches.

Distances
between
press
wheels
can be
varied

The Disc Covers are held firmly in the ground
by spring pressure, allowing them to ride over obstructions
and to rebound to position. They are adjustable for depth,
width and angle, enabling the operator to set the discs just
right. Shovel Covers furnished if desired.

NEIL P. BRENNAN, O'NEILL

Buffalo Bill

NO. 2406.

Belgian Draft Stallion, weight 1850; dark blue
roan—will make the season of 1916 as follows:
Tuesdays at Fred Vitt's farm, 5 miles southeast of
O'Neill, balance of the time at the Palace Livery
barn, O'Neill.

TEDDY

Teddy is a spotted grade stallion and will stand
at the Palace Livery barn.

TERMS—\$15 to insure a colt to stand and suck-
Parties disposing of mares or removing the same
from neighborhood before knowing mare to be in
foal, will be held for service fee. Care will be taken
to prevent accidents, but will not be responsible
should any occur.

I. N. BOGGS, Owner, O'Neill.

section of the state, will fill one of the
positions in the outfield, or perhaps
first. In the outfield there will
be T. D. Handley, who has been play-
ing ball for two or three generations
and plays the game now like an
eighteen-year-old kid. A quarter of a
century ago Tim was one of the best
ball players in this section of the
state and his services were in great
demand by teams in other towns. Al-
though he has advanced in years he
still puts up a splendid game and
has won a position upon the K. C.
team. The balance of the team will
be made up from the following: Ray
McBride, Thomas Brennan, Ralph
Merriman, Marty Coyne, "Kelley"
Martin, Charles Cronin, Harry Reefe,
Ben Grady, and that old-time Boestel

leaguer, Tom Nolan. This team has
the material to put up a splendid article
of ball and the old man is of the
opinion that they will put O'Neill
upon the base ball map this summer.
Their first game will be played upon
the local diamond next Sunday after-
noon with Newport and it promises to
be a good game. Come out and help
the boys along.

Lime For Preserving Eggs.
Eggs laid during April and May are
of better quality for preserving than
are those laid later in the summer.
One pound of air-slacked lime added
to cooled, boiled water is equally as
good a preservative for eggs as water
glass. Only clean, fresh eggs with
sound shells should be "put down."

the eggs in as gathered. Some lime
settles to the bottom of the jar but no
harm. Two or three inches of the
solution should cover the eggs to allow
for evaporation. Keep in a cool place,
preferably in a cellar. Eggs preserved
by this method may be safely kept for
eight months. When ready for use,
remove only the eggs that are nec-
essary.

Lame Back.
Lame back is usually due to rheu-
matism of the muscles of the back.
Hard working people are most likely
to suffer from it. Relief may be had
by massaging the back with Cham-
berlain's Liniment two or three times
a day. Try it. Obtainable every-
where.
