the lakes there, to grab the bait that they throw to them. Their appearance in the city has started several O'Neill men to talk fishing and a party is figuring upon starting to the South Dakota resort the latter part of the week.

Charles Gatz met with a serious accident the first of the week. While loading ice at the ice house he threw the ice pick off the wagon into the house and jumped in after it. He struck the ice pick, or partly fell over it, the pick penetrating his loins, cutting a large gash which it took several stitches to close. He is getting along very nicely now and is very fortunate that the accident was no worse.

In another column will be found a column of items taken from the files of The Frontier of thirty, twenty and ten years ago. A perusal of this column will cause the old timers to think of the happenings of the dim and misty past when they dreamed of the glorious possibilities of this country. Of the many names mentioned in the local columns of The Frontier of thirty years ago, but few of them are now residents of this city, many of them have passed the great divide while others are scattered over the world. We will make this column a regular feature of The Frontier hereafter and we are sure that it will prove very interesting reading to our large army of readers.

The preparedness campaign that is being carried on so vigorously all over this country has, seemingly, struck a responsive cord among some of the fair sex of our city. One of O'Neill's most charming young ladies, and of

marriageable age, too, was noticed on her way to work the other day with a copy of the Good Housekeeping magazine tightly encircled under her arm. She says she takes great delight in studying it. It is apparent that some lucky young man is going to get, or maybe has, a young lady well prepared to preside over the destinies of any home, and her example could well be emulated by the other young ladies of this community who may some day be called to uphold the reputation the good women of O'Neill have so justly attained for their culinary achievements.

Mr. and Mrs. J. A. Donohoe made a trip to Lincoln in their car last week, returning Sunday evening. They were accompanied back by Rev. Clinton Lowrie, of Detroit and Rev. William Lowrie, of Brainard, Minn., brothers of Mrs. Donohoe. They are both old O'Neill boys and spent a few days in the city visiting old time friends and neighbors. It was Rev. William Lowrie's first visit to the city since he left here seventeen years ago and said that he was very agreeably surprised at the great improvement made in this city and country since he left this section. Rev. Clinton Lowrie has been located at Des Moines, Iowa, the past four years but has received a call to a church in Detroit and he will go there the latter part of the week and will make that his future home. They left for Lincoln Wednesday morning.

The K. C. ball team played their first game of the season on the local grounds last Sunday afternoon, the team from the hustling little village of Emmet being their opponents. The game was won by Emmet with a score of 13 to 3. Errors were responsible for the result of the game as the boys from the hustling little burg to the west of us did not have an earned run, while the locals annexed two earned runs. B. H. Watson was on the mound for O'Neill and demonstrated that he has the ability to twirl a first class game. He has speed and a good assortment of breaks and with good support would be able to give any of the fast amateur teams of the state a run for their money. He was handicapped in Sunday's game as Ray McBride was unable to hold him when he turned loose a little steam. Ray done very well, however, and with a little more practice should be able to backstop in good shape. Watson held Emmet to six hits, three of which, combined with seven errors, came in the second inning and gave Emmet eight runs. In addition to holding them to six hits he fanned nine. Jack Foreman, that old timer, who has been playing ball for years, was upon the mound for Emmet and while the locals touched Jack for thirteen hits, except in one inning, the fourth, they were unable to bunt them. He did not use much speed at any time during the game being content to let the other eight men on the team do some of the work. He had good support, Emmet being credited with but one error. Foreman fanned 13 men. Errors: O'Neill 12; Emmet 1. Batteries: O'Neill, Watson and McBride; Emmet, Foreman and Douglas.

Card of Thanks.

There are times that come into the lives of some, when every impulse of the heart is buried under its weight of sorrow. We stand there today; yet we would fain give expression to the gratitude that wells up from the depths of our hearts as we remember the kindness of those who have done so much to comfort our precious dead, and to brighten for us a starless sky.

Mr. and Mrs. Geo. Bressler and Family.

O'Neill Playground Association.

A meeting of citizens of O'Neill interested in the children of the city was held in the Presbyterian church last Thursday, to elect officers and discuss other business for the years work.

The following officers were elected: President, J. Quigg; Vice President, Mrs. C. Downey; Chairman, Rev. C. R. Parkerson; Secretary, Mrs. J. H. Meredith; Treasurer, Mrs. Hammond; with the following two ladies on the committee, Mrs. D. Stannard and Mrs. R. Bartell.

The Revs. Longstaff, Parkerson and J. L. Quigg were elected as a committee on grounds. It is intended to have seats so that parents and others wishing to visit the grounds may do so with comfort.

It was decided to hold an ice cream social at the playground on Thursday, June the 8th, and a committee of one lady from each of the five churches in town was appointed to solicit for this social.

The citizens of O'Neill donated liberally last year and were amply rewarded by the faithful work carried on by Miss Timlin.

A finance committee composed of the following ladies was elected: Mrs. Downey, Mrs. Meredith, Mrs. Longstaff and Mrs. Stannard. These ladies will call on you soon and liberal support will be appreciated.

Decoration Day Duly Observed.

Memorial day was most fittingly observed in O'Neill. The program at the K. C. Hall was probably the most stirring and patriotic ever given on a similar occasion. Long before schedule time the large hall was completely filled and many, anxious to do homage to the immortal heroes of old, were unable to get in. The business houses, all appropriately decorated with flags, closed during the exercises. The parade formed in front of the Odd Fellows Hall and headed by the O'Neill Cornet Band marched to the K. C. Hall where the program was held, after which the line was again formed, and, after a short detour through the city, they marched to the cemeteries where the graves of the Soldier Dead were strewn with flowers.

Commander of the local post of the G. A. R., Michael Slattery, presided at the exercises. Thomas Nolan, a well known member of the local bar delivered the address of the day, and as evidenced by the exclamations of approval heard on every hand, ably fulfilled the prophecy made through these columns two weeks ago. The singing and reading by the other young men and women was, without exception, very good and the applause accorded them hardly did justice to their efforts.

Burial of Mrs. Hanson.

Garretson (S. D.) News: The remains of Thora Elvina Hanson, wife of Richard Hanson, of O'Neill, Neb., were brought to Garretson Tuesday night and the funeral services were held from the Lutheran church on Wednesday afternoon, conducted by Rev. H. M. Solem. Interment was made in the Lutheran cemetery.

Mrs. Hanson, formerly Miss Satrang, was born in Garretson February 11, 1892. She lived here until about five years ago when she moved with her father, Andrew Satrang, to O'Neill, Neb. About two and a half years ago she was married there to Mr. Hanson. A little daughter came to gladden the home twenty months ago, she being left to partially console the husband in his great loss.

About a year ago Mrs. Hanson developed symptoms of diabetes. All that medical skill could do was done for her, but the malady had too firm a hold to be shaken loose. A month ago she began getting weaker and on Friday of last week was compelled to take to her bed. She soon became unconscious and passed away Sunday. She was only a little over twenty-four years of age.

Word was received here of her death that day and every preparation was made to tenderly care for the dear one. Many beautiful flowers were provided by loving friends. Members of the 1906 confirmation class of the Lutheran church, of which she was a member, acted as pall bearers. At the funeral a large number of friends were present to show their deep regard for the departed and for the family.

Besides the husband and little daughter, the father and one sister, Ethel are left to mourn the departure of Mrs. Hanson. To them the members of the community extend their deepest sympathy.

Ice Cream Social.

There will be an Ice Cream Social held for the benefit of the "Children's Playground" on the playground on Thursday, June 8th. Admission 15c. Come and encourage the work for the children's sake.
