The month of May was the banner month for the produce dealers of this city, but the month of June promises to exceed the record established by May. During the month of May the hustling produce firm of Zimmerman & Son paid out for farm produce, to the farmers of this vicinity, the enormous sum of \$9,316.50. If the month of June continues as good as the first ten days they will pay out over \$12,000.00 for the month of June. For the first five months of this year this firm has paid out \$25,664.05 for farm produce. This gives a good indication of the prosperity of the farmers of this section of the state.

O'Neill Boosters Boost.

Led by Mayor Dishner, twenty-two automobiles carrying the O'Neill band and over 100 business men and citizens of O'Neill, constituted a Booster Club that left the city Tuesday at 11 a. m. for the purpose of advertising the celebration to be held here on July 4th. Arriving at Atkinson at 12:15 p. m. the band played a couple of selections after which dinner was had at the various hotels and restaurants. After dinner there was music by the band, which was heartily applauded. Hugh Boyle, in a few well chosen words, stated the object of the visit, and, on behalf of the Mayor and citizens of O'Neill, extended a very earnest and cordial invitation to the citizens of Atkinson to celebrate the Fourth in O'Neill. Mr. Boyle's remarks were well received and indications are that Atkinson will be well represented at our celebration. Leaving Atkinson at 1:35 the delegation arrived in Stuart at 2:20 p. m. The band entertained, for about half an hour, a fairly large crowd that had assembled on the streets. Mr. Boyle, in extending a hearty invitation to the people of Stuart to celebrate with us, called attention to facts as to why people should celebrate July 4th—more particularly this year, it not only being the anniversary day of our independence, but that we were still enjoying the liberties then obtained and at peace with the world, which is in such striking contrast to conditions that prevail in war-stricken Europe. A prominent citizen of Stuart told the writer that there would be at least 200 Stuart visitors attend the celebration here.

Leaving Stuart about 3 p. m. the Boosters returned via Emmet, where they were well received by the citizens of that thriving little village. Music by the band and the talk by Mr. Boyle entertained the crowd for about thirty minutes.

Taken as a whole the Booster trip was a success in every way.

Next Tuesday there will be a Ladies Booster trip to the towns of Inman, Ewing, Orchard and Page. The party will leave the Golden Hotel in this city next Tuesday morning at 10:30 and will visit the above towns in the order named. A sufficient number of the sterner sex will go along to see that the ladies are properly guarded against automobile breakdowns, etc.
