Prohibition and Lower Land Values

The U. S. Government has gathered reliable figures as to the value per acre of Farm Land in every state in the Union.

The Government takes the value of all the lands in a state, the high-priced land and the low-priced land, and then strikes an average.

On Page 36 of the "Monthly Crop Report" for April, 1916, published by authority of the Secretary of Agriculture, is found a comparison of the average value per acre of land with improvements, as follows:

NEBRASKA—Average value per acre, \$76
KANSAS—Average value per acre, \$58

The U. S. Government states officially that the average value per acre of land with improvements is \$18.00 per acre less in Kansas than in Nebraska. On a quarter section this amounts to \$2,880.00.

The soil of Kansas in every way is equal to that of Nebraska. Climatic conditions are the same.

THEN WHY THIS DIFFERENCE IN FAVOR OF NEBRASKA? THE ANSWER IS SIMPLY THIS: PROHIBITION!

PROHIBITION LOWERS LAND VALUES AND INCREASES TAXES.

The Fifteen Millions Nebraska Pays For Drink

Would provide every family in Nebraska with its winter's supply of coal.

Would add \$5.25 a month to every family's savings account.

Would pay the way of every member of every family in Nebraska once a month to a 10-cent moving picture show.

Would buy all the men seats at the ball game twice a week during the summer, would give the youngsters ice cream sodas every day from June until October and would buy every woman a new hat every eight weeks.

Would pay for every family in Nebraska three shares of bank stock at par value in three years.

Would pay the meat bill for the year and give every family a turkey dinner at Christmas.

Nebraska Saloons pay only one-thirtieth of Nebraska's school fund.

Not one cent of this saloon license money goes, or ever did go to the rural schools.

Miss Hombach Weds Prof. John E. O'Brien.

Omaha Bee, Sept. 20: A wedding of unusual interest was solemnized yesterday morning at 9 o'clock at St. Peter's Catholic church, Council Bluffs, when Miss Anna Hombach, daughter of Dr. W. P. Hombach, of Council Bluffs and Professor John E. O'Brien of Omaha were united in marriage.

The ceremony was performed by Father Herman, assisted by Father Stenson of Omaha. The groom occupies the chair of chemistry in the College of Pharmacy at Creighton university and is a graduate of Drake college, Ontario. At the last meeting of the Pharmaceutical association, Professor O'Brien was made president. He is also well known throughout the entire pharmaceutical world.

The bride is a well known member of the younger set of Council Bluffs and a graduate of St. Francis academy and also of Mount St. Scholastica, Atchison, Kan. The wedding was most beautiful in every detail.

The bride is a sister of Dr. Walter P. Hombach of O'Neill.

SUMMARY OF NEWS.

Henry White, negro, was lynched Wednesday at Durham, Ga., a village near Lafayette, after he had confessed that he attacked a white girl.

President Wilson will make one of his few campaign addresses in the Auditorium at Chicago, probably in October, it was said at Democratic campaign headquarters. The date is not set, but it is virtually settled that the president will make a speech to the general public.

Senator Ollie James of Kentucky and Bainbridge Colby, one of the leading Progressives, will come West to speak for Wilson early in October, it was announced at Western Democratic headquarters. Both will be in Illinois October 9, after having toured Missouri, Kansas and Iowa.

P. A. Ball and Andrew S. Dowd, on trial in the United States Court at Fort Smith, Ark., on charges of making false reports to the comptroller of currency while officers of the American National Bank, which failed last March, pleaded guilty and will be sentenced Saturday. The trial of T. W. M. Boone, president of the bank, proceeded. Ball was cashier and Dowd his assistant.

Chen Chin-Tao, the Chinese minister of finance, formally asked the quintuple group of bankers for a \$50,000,000 reorganization loan on the security of the salt monopoly surplus. The quintuple group is composed of representatives of American, British, Russian, French and Japanese financiers. The bankers talked in a favorable manner regarding the loan and referred the question to the headquarters of their respective houses.

William J. Bryan, started Thursday on his second day's tour of Wyoming in support of President Wilson and the Democratic ticket, with the program calling for a number of speeches. Speaking at Rock Springs, Wyo., Wednesday, he appealed for the re-election of President Wilson on the ground that President Wilson had kept the United States out of war with Europe and Mexico. Bryan declared the Republican party had been "unscrupulous in its methods concerning votes for women in suffrage states." He warned the Democratic women to beware of "Republican trickery."

The request of 300 members of the Second New York Infantry to remain on border duty after they had been ordered home resulted Thursday in an announcement by Gen. Funston that guardsmen who wished to stay could transfer to other regiments, releasing men who wanted to return to their homes.

Admiral Mayo, commanding the Atlantic fleet, reported Thursday that a 12-inch gun on the battleship Michigan had exploded Wednesday during the firing tests on the southern drill grounds, the muzzle being blown to pieces, seriously injuring one man. The Michigan was ordered to the Philadelphia Navy Yard for repairs.

The turning point in the fortunes of American shipping on the Pacific was marked by the recent purchase of three large ships by the Pacific Mail Steamship Company "and there is no further danger of the American flag disappearing on the Pacific," a Department of Commerce report announced Thursday. It also pointed out that the European war has cut down the total shipping of all nations engaged in trans-Pacific trade from 380,000 tons gross to 280,000.

COMING BACK TO O'NEILL, NEBRASKA UNITED DOCTORS SPECIALIST

Will Again Be At The NEW GOLDEN HOTEL Tuesday, October 10, 1916 ONE DAY ONLY

Hours 10 A. M. to 8 P. M. Remarkable Success of These Talented Physicians in the Treatment of Chronic Diseases

Offer their Services Free of Charge

The United Doctors, licensed by the State of Nebraska for the treatment of deformities and all nervous and chronic diseases of men, women and children, offer to all who call on this trip, consultation, examination, advice free, making no charge whatever, except the actual cost of treatment. All that is asked in return for these valuable services is that every person treated will state the result obtained to their friends and thus prove to the sick and afflicted in every city and locality, that at last treatments have

been discovered that are reasonably sure and certain in their effect.

These doctors are among America's leading stomach and nerve specialists and are experts in the treatment of chronic diseases and so great and wonderful have been their results that in many cases it is hard to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, kidneys, or bladder, rheumatism, sciatica diabetes, bed-wetting, tape worm, leg ulcers, weak lungs and those afflicted with long-standing deep seated, chronic diseases that have baffled the skill of the family physicians, should not fail to call. Deafness often has been cured in sixty days.

According to their system no more operations for appendicitis, gall stones, tumors, goiter, piles, etc., as these diseases are treated without operation or hypodermic injections.

They were among the first in America to earn the name of "Bloodless Surgeons," by doing away with the knife with blood and with all pain in the successful treatment of these dangerous diseases.

If you have kidney or bladder troubles bring a two ounce bottle of your urine for chemical analysis and microscopic examination.

No matter what your ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, it will be to your advantage to see them at once. Have it forever settled in your mind. If your case is incurable they will give you such advice as may relieve and stay the disease. Do not put off the duty you owe yourself or friends or relatives who are suffering because of your sickness, as a visit at this time may help you.

Worn-out and run-down men and women, no matter what your ailment,
