

To Farmers Who Understand The Great Value Of Government Irrigated Lands

Watch for the expected announcement this Autumn of the opening by the Government of its new 12,000 acre Frannie tract in the Big Horn Basin. 200 reliable irrigated farms. No agents. No commissions. Direct to you from Uncle Sam, free homestead land and actual cost of perpetual water-right, 20 years' time, no interest and no payment between the first and fifth year.

If you want to know the future value of these farms, visit the adjacent locality of Powell, Wyoming, in the heart of 40,000 acres of irrigated land under this same Government Canal. The Government has now on file more applications than it has farms to allot, but we believe it our duty to let you know of this chance.

Write me and I will keep your name on file, to inform you as to the date of this opening.

M. E. Church Notes.

Don't forget the communion service on Sunday morning, November 5th. At this service we will also observe the sacrament of baptism, and we invite any who wish their infants baptized to bring them at that time. If there are any who wish to unite with the church either by letter or on probation we will be glad to receive them on the day of the communion.

Prayer meeting meets every Wednesday evening at 7:30 in the church.

Were you at Sunday School last Sunday? If you were not you missed something. You had better form the habit of attending every Sunday then you will miss none of the good things that happen. You know the hour, 11:30. The basement is warm and comfortable for the primary department, and all classes will be comfortably situated, and well cared for. We invite you to come to our Sunday School, and worship with us.

The Ladies' Aid meet in the basement on Thursday afternoons for their regular work! The ladies are always glad to welcome strangers.

The Methodist Serosis Club is planning to give the play "In His Steps" in the very near future. This play is based on the book of the same title. There will be about 20 characters in the play, and it is one that you will enjoy.

Tom Thum and his bride to be is on the way, and will be married in O'Neill in a couple of weeks. These little midgets are very interesting and you will want to see them married. The "Old Maid" sister, and the "bachelor" friends will make you laugh. The little folks will be dressed in appropriate costumes, and will give the entire program. It's just like a real wedding. Watch the papers for further announcements.

Thursday night the Royal Theatre gives a "benefit" for our church. A special program of music and readings will be rendered between reels. Come out and enjoy the evening and help a worthy cause. Admission 10 and 15c.

The ladies will serve oysters and sandwiches and coffee on election day, November 7th. If you are cold and hungry eat with them and cheer up, then vote right.

Next week there will be a reader and entertainer at the Serosis program. She is a graduate from the Morning-side college of elocution, and comes highly recommended. After the program there will be served refreshments. We will announce the date at the Royal Theatre, and on the streets next week. Watch for announcements.

Despondency.

When you feel discouraged and despondent do not give up but take a dose of Chamberlain's Tablets and you are almost certain to feel all right within a day or two. Despondency is very often due to indigestion and biliousness, for which these tablets are especially valuable. Obtainable everywhere. 17-2

KNOW IT WELL.

Familiar Features Well Known to Hundreds of O'Neill Citizens.

A familiar burden in many homes. The burden of a "bad back." A lame, a weak or an aching back. Often tells you of kidney ills. Doan's Kidney Pills are for weak kidneys.

Here is O'Neill testimony. H. A. Polk, retired farmer, O'Neill, says: "I have been using Doan's Kidney Pills recently and I am so pleased with the results, that I can recommend them as a reliable medicine. In the past, I suffered from backache. I also had to arise three or four times at night, my kidneys acted so often. Since taking Doan's Kidney Pills, I have seen in my condition much improvement. Doan's Kidney Pills are the first medicine that helped me and I certainly think they are all right."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Polk had. Foster-Milburn Co., Props., Buffalo, N. Y.

Fall is the time of year when many people begin to think of winter reading. The Lincoln State Journal is affording the people of Nebraska an opportunity to secure the best, in both news and special features, for \$3 per year daily; or \$4 daily and Sunday. This bargain rate, announced for the month of October, is made in the face of a very great increase in price of white paper and more than normal increase in all other materials and factors entering into the cost of producing newspapers. The Lincoln State Journal has a reputation, built upon years of conscientious effort, for accuracy and thoroughness in the presentation of all the news. It has also added some of the best features money and brains can produce, which are delighting and informing thousands of old and young people. Among these features might be named the pages devoted to Nebraska news, the puzzle section, the colored supplement, the magazine features concerning the war, new inventions, general science, world and national politics, progress in Nebraska along industrial and agricultural lines and many other topics. The Journal is likewise making an effort to

secure agents in every community in the state to take care of its subscription business and promote a better understanding between the State Capital's only morning paper and the people it is trying to serve. Address all subscriptions or communications in regard to promotion work to The Nebraska State Journal, Lincoln, Neb.

Do You Remember?

Do you remember that fine dinner given by the ladies of O'Neill for the Cemetery, last spring? Well, they are going to give you just such another treat on Saturday, November 4th, in the Golden Building just south of the old Royal Theatre. Dinner and Supper, think of it. Everybody welcome, and Everybody come. Chicken for Dinner and—Chicken for Supper, with all the fixings. Don't Forget it. Saturday, November Fourth. For the benefit of the Cemetery Fund.

How Catarrh is Contracted.

Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucus membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere. 17-4
