The Best Recommendation. The strongest recommendation any article may receive is a favorable word from the user. It is the recommendation of those who have used it that makes Chamberlain's Cough Remedy so popular. Mrs. Amanda Gierhart, Waynesfield, Ohio, writes, "Chamberlain's Cough Remedy has been used in my family off and on for twenty years and it has never failed to cure a cough or cold." Obtainable everywhere. 34-1

Wilson Keeps Us Out of War.

John Brennan—Out Of Debt

We won't have any big amount so you better come early. This kind of weather is fine if you want to take it out in the country. No wonder people giggle when they see an automobile stop in front of a credit store. Ain't it funny you never see a sucker in a cash store. Rice will be higher, 6 pounds for 42; Rape Seed and Millet Seed for sale here. Oyster Shells 95c; Sugar \$7.95.

You people who have cream to sell are making a big mistake if you don't give the creamery a share of your cream. If they stop buying at O'Neill you will get at least 4 to 8 cents less per pound for your cream all summer long. They can ship in cream for less money. I hope they don't get discouraged.

Quality counts. Not long ago a storekeeper thought he could hook one over so he shipped in a car of things called apples which had the same flavor as a pine knot. The people who bought apples from me thought I held them up on the price till they tasted some of his. My dear friends if you don't trade here you have to pay the difference. Get in the game. We have the quality as well as the price. Come down some morning and look over the new line of Dry Goods. Lots of time in the mornings to show you every piece.

The Other Stores Can't Beat My Prices So They Knock On My Goods, But The Smoke Goes Up The Chimney Just The Same.

SEWING MACHINES "FIXED." The following people have had me "fix" their sewing machines. If you have any doubt about my work, I will be glad to refer you to any of them: Mrs. Frank Schmidt, Mrs. Walter Wyant, Mrs. H. J. Frey, Mrs. Otto Nelson, Mrs. F. B. Pine, Mrs. Geo. Longstaff, Presbyterian Ladies Aid, Mrs. Bressler, Miss Anna Coyne, Mrs. W. V. Hunter. The above is just a small percent of all the satisfied customers that I have in O'Neill. If your sewing machine is not in the best running order, or if you would like to have it cleaned or repaired, simply call me up at the Parker House, Phone 37—and I will come and examine your machine free of charge. I will tell you what is the matter with it and how much it will cost to get it "fixed." After I do the work, and you feel that you are not satisfied, I will refund every cent of money that you paid me.—E. A. Williams, Sewing Machine Expert. I guarantee a square deal to everybody. 36-1

A FEW OF OUR STRONG LINES

De Laval Cream Separators, best in the world. Mr. Calkins purchased one Wednesday. Goodrich Tires, best in the long run. Everybody buys them. If you have a Goodrich tire that owes you anything, bring it in and we will fix it. Monarc Ranges, last a life-time. We sell a Monarc every week. Elvin Bowden was the lucky guy this week. Fairbanks Morse Gas Engines are world beaters. Herman Stein purchased two this week. Hardware that will stand "hard wear." Furniture that stands the test of time. Don't forget we meet all catalogue house prices. No excuse for sending off for goods in our line.
