BUY THAT FARM NOW

Look at these splendid lands of Southern Nebraska and Northeastern Colorado before you make cropping arrangements for 1918. Don't make a rental contract for the coming year that puts you nowhere toward a permanent home until you have looked into the crop records of these areas. Go out and talk to the farmers of these counties—you'll find them prospering and ready to tell you that an investment you must make to properly equip for renting an Eastern farm will put you at work on your own account in their neighborhood and on the road to independence.
I have two new folders setting forth the agricultural conditions, one for Nebraska and one for Colorado, illustrated with local farm scenes and maps showing location. They are free. Let me put you in touch with the best farm bargains offered today.

Attention Civil War Veterans.
Lincoln, Neb., May 7, 1917.
Comrades: Your attention is hereby called to the National Memorial Reunion and Peace Jubilee of the Union and Confederate Survivors of the Civil War to be held in the Vicksburg National Military Park at Vicksburg, Mississippi, October 17, 18 and 19, 1917.

The 1917 Nebraska Legislature passed an Act, authorizing an appropriation of \$20,000 to be used under the direction of a commission to be appointed by the Governor, Hon. Keith Neville, to provide transportation to and from Vicksburg for all Veterans both Union and Confederate, who contemplate attending that Reunion, who served in the Civil War of 1861 to 1865, who now reside in, or who have continuously resided in the State of Nebraska for a period of at least one year prior to the passage of the Act.
Said Commissioner having been appointed and organized, all such Veterans will indicate their desires, by sending in their names, company, and regiment, in which they served, to the Secretary, State House, Lincoln, Nebraska, at their earliest convenience so as to enable an approximate estimate of the number to be provided for.
This trip being one of over 2,000 miles and one of more or less hardship and inconvenience, each comrade should very seriously consider the matter as to whether he will really be physically able to make the trip or not, before making his application.
Officers of the War Department, representing the U. S. Government as host to the Veterans, and the Veterans will be its guests, while in Vicksburg.
The Nebraska Commission will have charge of the Nebraska Division while enroute, and see that all comrades are properly cared for during the journey as well as in camp.
The order of exercises and entertainment during the Reunion will be in charge of the National Association of Vicksburg Veterans, and all Civil War Veterans, whether they participated in the "Campaign and Siege of Vicksburg" or not, will have equal measure of privileges.

Each comrade who plans to undertake this trip, should study this letter carefully, then make up his record as above directed and give his Post Office address, box or Rural Route, over which he receives his mail, in order that he may be properly listed by the commission.
All further information will be cheerfully furnished by the Secretary.
W. H. Stewart,
J. S. Hoagland,
Will M. Gifford,
Commission.
J. H. Presson, Secretary.

WHY THAT LAME BACK?
That morning lameness—those sharp pains when bending or lifting, make work a burden and rest impossible. Don't be handicapped by a bad back—look to your kidneys. You will make no mistake by following this O'Neill woman's example.
Mrs. Bowen, O'Neill, says: "I was having a terrible backache. The dull, heavy pain was so steady that it seemed to wear me all out. I couldn't get much rest at night and it was all I could do to keep at my work. Many days, I had a severe pain in the back of my head. My kidneys were irregular in action and the kidney secretions were unnatural. Doan's Kidney Pills relieved me, so I am glad to tell others about them."
Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Bowen had. Foster-Milburn Co., Buffalo, N. Y.
