

FOOT EXPERT COMING

**His Services are Free
No Obligation on Your Part**

For the benefit of the many readers of this paper who have foot troubles we have arranged for the services of the foremost foot expert of The Scholl Mfg. Co., of Chicago, New York, Toronto and London, largest makers of foot comfort specialties in the world. He will give his entire attention, wholly free, to all who seek his help. And no one will be under obligation to purchase anything after receiving his attention.

Thursday and Friday, June 7th and 8th

He has had wonderful success with many varieties of foot ailments and we urge everyone to take full advantage of this offer while it lasts, which will be for but a limited period. If you have

- tired, aching feet;
- corns or bunions;
- callouses on the soles of your feet;
- painful heels, ankles and limbs;
- pains and sudden cramps in your toes and balls of your feet;
- weak ankles;
- weak, fallen or broken down arches

—let him tell you how to

Obtain Genuine and Lasting Foot Comfort

No matter what treatments you may have tried—or if you have worn arch supports or other appliances without success—let this Scholl foot expert give you his personal attention. Let him inspect your feet and tell you how to overcome your foot troubles. He has helped thousands of others and probably can help you to obtain permanent comfort, too.

He is not a so-called "corn-doctor." He does not cut corns or callouses—he performs no operations. He simply inspects your feet and tells you how you can obtain instant relief and permanent comfort by mechanical means, using Dr. Scholl's wonderfully successful scientific appliances and preparations to produce the most desirable results.

And remember, there is no charge whatever for this service. You will not be asked to buy a single thing. Neither need you be a customer of this store.

Come in Early

Hundreds of people—perhaps thousands—are going to try to see this Scholl foot expert but those who

come early will be more certain of his most careful and thorough attention. So do not put off your visit until the last minute—you may be too late then. Drop everything else, if need be, and come early. If you are now wearing arch supports, let him readjust them for you. It will cost you nothing.

Bring the Children

Little weaknesses in children's feet may develop into serious and painful foot ailments if allowed to progress. Let the Scholl foot expert see their feet and show you how to take care of the little ones and prevent possible foot troubles. Let him tell you how to select shoes for the children—how to be sure that their little feet will have plenty of room to grow correctly.

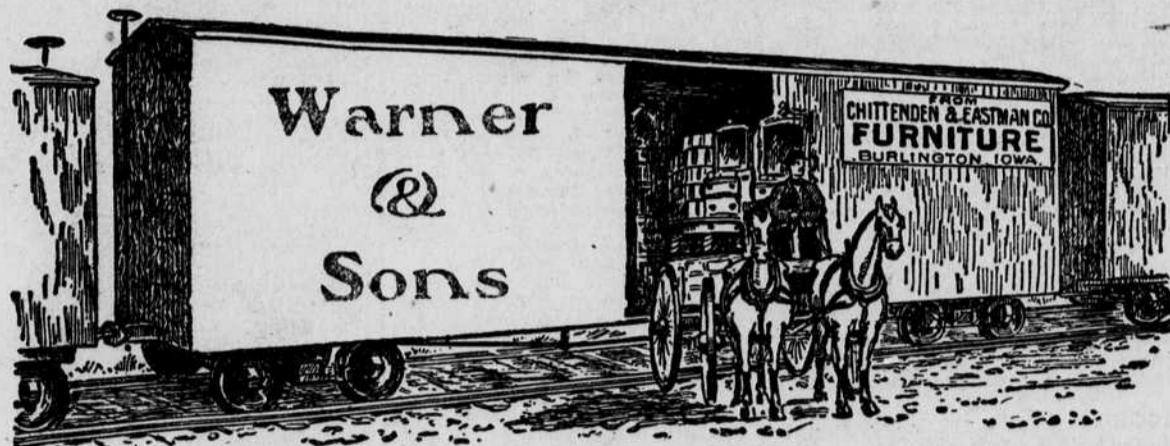

Don't Let this Opportunity Slip by You

This is an opportunity that no one should overlook. It may mean permanent freedom from the annoyance, the discomfort, the pain of foot ailments. It is an opportunity that comes but seldom to most of us and you should lose no time in taking the fullest advantage of it. There are no strings attached to this offer—you will not be asked to buy a thing. So do not hesitate to come.

Young Men to Register.
Young men 21 to 31 years old inclusive, married or single, must appear at the regular polling places between 7 a. m. and 9 p. m. on June 5, and fill out registration cards which will be used for the information of the government in drafting men for the army under the selective conscription bill. No other notice except the president's proclamation and announcements by authorities, printed in newspapers and posted in conspicuous places, will be given and all patriotic citizens are urged to help in the movement of notifying young men affected to make their registrations on the day designated.

Registration cards have been sent to the authorities by the war department. No information has been received as to the possible date the conscriptionists will be called into service. So much stress is laid on the occupation of the conscriptionists in blanks, that the authorities believe the government will use the men in the places they can do the most good and follow the lines of occupation in which they are best qualified.

Questions to be Answered.
Men subject to registration are urged to have all necessary information regarding themselves ready. While the questions to be answered are terse, considerable detailed information will have to be accumulated by the men affected in order that they may be answered properly. Twelve questions in all are to be answered. In the order they are to be answered they are as follows:

- 1, Name in full; 2, home address; 3, date of birth; 4, are you a natural-born citizen, a naturalized citizen, an alien, or have you declared your intention to become a citizen? Specify which; 5, where were you born? 6, If not a citizen of what country are you a citizen or subject? 7, What is your present trade, occupation or office? 8, By whom employed? Where employed? 9, Have you a father, mother, wife, child under 12, or a sister or brother under 12 solely dependent upon you for support? Specify which. 10, Married or single? Race? 11, What military service have you had? Rank? Years? Branch? Nation or state? 12, Do you claim exemption from draft? Specify grounds.

Claims for Exemption.
The explanation regarding the claims of exemption from draft reads as follows:

"Because you claim exemption from draft, it by no means follows that you are exempt. For the information of the war department you should make a claim now if you intend to prosecute it. Some persons will be exempted on account of their occupation or offices, some on account of the fact that they have relatives dependent upon them for support. Your answer touching these things will be important in supporting the claim you now intend to make in your answer to the present questions. Be sure, therefore, that the grounds you now state are in conformity with your answers to questions 7 and 8. In stating grounds you claim as exempting you, use one of the following terms: If you claim to be an executive, legislative or judicial officer of the state or nation name your office and say whether it is an office of the state or nation. If you claim to be a member of a religious sect whose creed forbids its members to participate in war in any form, simply name the sect. If you are employed in the transmission of the United States mails or as an artificer or workman in an armory, arsenal, or navy yard of the United States, or if you are a mariner employed in the sea service of any citizen or merchant within the United States so state. If you are a felon or otherwise morally deficient and desire to claim exemption on that ground state your ground briefly. If you claim physical disability, state that briefly. If you claim exemption on any other ground state your ground briefly.
