**ESTES PARK
 ROCKY MOUNTAIN
 NATIONAL**

This magnificent vacation-land, so near at hand, has been made a National Park and it certainly has every requisite for a National Summer playground. It is a region of forests, canyons, streams and lakes, a paradise of mountain air and wild flowers, a natural amphitheatre of 150 square miles, with snow-capped panoramic barriers.—Long's Peak, James' Peak and the Continental Divide.
 Burlington trains take you there quickly and at small cost,—only \$27.00, generally speaking, from middle and Eastern Nebraska to Estes Park. This includes rail and auto via Lyons or Loveland.
 Over 50,000 tourists visited Estes Park last Summer.
 Colorado has hundreds of resorts, recreative places and automobile tours. You have every day the lowest possible rates to Denver, Colorado Springs and Estes Park. Arrange early for any accommodations that you will want in Colorado this coming summer. Let me help you.

Constipation and Indigestion.
 "I have used Chamberlain's Tablets and must say they are the best I have ever used for constipation and indigestion. My wife also used them for indigestion and they did her good," writes Eugene S. Knight, Wilmington, N. C. Chamberlain's Tablets are mild and gentle in their action. Give them a trial. You are certain to be pleased with the agreeable laxative effect which they produce. Obtainable everywhere. 4-4

Farmers Meet In Convention.
 The Farmers Union of Holt county met in their regular quarterly convention in Atkinson, June 13, 1917.
 The women served dinner to the visiting delegates and Atkinson local. There were fifty-five delegates from the other locals.
 The dinner, abundant and excellent, was served in the Miller theatre.
 At 2 p. m. the convention was called to order by the county chairman, B. F. Kissinger. It convened in the I. O. O. F. hall. Of the fifteen locals in the county eight sent delegates. The time was spent in exchange of ideas and plans of co-operation. On the whole it was a very pleasant and profitable afternoon.
 The last "chunk" of business was the planning for county farmers picnic to be held in the Pat Smith grove near Sam Hickman's, five miles east of Atkinson and five miles west of Emmet.
 All interested in a good time are invited to fill their baskets and come, August 2, 1917. There will be speaking and games. Ice cream and candy stands on the grounds.
 A vote of thanks was tendered the people of Atkinson for the royal way in which she entertained her guests.
 Don't forget the picnic.
 T. M. ELDER, Secretary.

TWICE PROVEN.
 If you suffer backache, sleepless nights, tired, dull days and distressing urinary disorders, don't experiment. Read this twice-told testimony. It's O'Neill evidence—doubly proven.
 H. W. Ritts, carpenter, O'Neill, says: "I had suffered for two years from weakness of my back. I was in such a bad way that every time I stooped, sharp twinges darted through my back. A dead, aching pain through the small of my back bothered me day and night. Lots of times when I sat down, it would only be with great effort that I could get up again. I took only two boxes of Doan's Kidney Pills, procured from Gilligan & Stout's Drug Store, and they cured me. That cure was made five years ago and I have never had any trouble with my back since." (Statement given August 25, 1909.)
 The Test of Time.
 On June 20, 1916, Mr. Ritts said: "I recommend Doan's Kidney Pills even more highly than ever, because the cure they gave me has been lasting. I feel that I owe my good health to having used this medicine."

Army Draft Starts July 7.
 Notice has been received by Governor Neville that the draft will start July 7.
 That the draft will be conducted in a fair manner is indicated by the fact that no names will be used, but the assignment will be made by number, the serial numbers being sent to Washington and the selection made by drawing the numbers on the lottery plan.
 No one will know who has been drawn until the drawn numbers have been returned to the examination boards and comparison made with the registration cards.
 These numbers will be sent to the different registration boards and if exemption is claimed it will be the duty of the boards to investigate and make the examinations.
 No class exemptions will be made.
 An Old, Old Story.
 He told her tales of splendor and of love,
 Of fairylands that rivaled those above,
 Wherein he'd keep the flower of his youth
 To dwell with him who spoke no thing
 but truth;
 He promised her she'd never want
 for food,
 That never would he change his
 smiling mood,
 He told her that the world would
 cease to spin—
 Unless she let him kiss her once
 again.
 She told him that she simply could
 not live,
 Unless he'd comb the earth for her
 and give
 His wife the treasured things of sea
 and earth—
 Then hang his heart and hand above
 the heart;
 She leaned her head and heard his
 racing heart,
 She matched his eyes and said no
 thing could part
 The fairest pair that ever graced
 a night
 Aglow with not a thing but Cupid's
 light.
 He told her that he'd crack her on
 the head,
 Unless she did her chores and got to
 bed
 A half a night before he came to
 see,
 The woman who had once been fancy
 free:
 She told him that the savages of
 hell
 Were gentlemen compared to one who
 fell
 A thousand leagues below real Christ-
 ian men—
 They cried, they kissed, and—promised
 once again.
