ESTES PARK
ROCKY MOUNTAIN
NATIONAL

This magnificent vacation-land, so near at hand, has been made a National Park and it certainly has every requisite for a National Summer playground. It is a region of forests, canyons, streams and lakes, a paradise of mountain air and wild flowers, a natural amphitheatre of 150 square miles, with snow-capped panoramic barriers,—Long's Peak, James' Peak and the Continental Divide.
Burlington trains take you there quickly and at small cost,—only \$27.00, generally speaking, from middle and Eastern Nebraska to Estes Park. This includes rail and auto via Lyons or Loveland.
Over 50,000 tourists visited Estes Park last Summer.
Colorado has hundreds of resorts, recreative places and automobile tours. You have every day the lowest possible rates to Denver, Colorado Springs and Estes Park. Arrange early for any accommodations that you will want in Colorado this coming summer. Let me help you.

BLOCKADED
Every Household in O'Neill Should Know How to Resist It.
If your back aches because the kidneys are blocked,
You should help the kidneys with their work.
Doan's Kidney Pills are especially for weak kidneys.
Recommended by thousands—home testimony proves their merit.
Mrs. Byron Parker, O'Neill, says: "I have used Doan's Kidney Pills off and on for years and I know that they have done me a lot of good. I take them when I get attacks of backache, which come on from overwork. Sometimes my back has been so sore and lame and has pained so terribly that I could not move another step. I then used a box of Doan's Kidney Pills and they took the pains away, strengthened my back and helped me in every way."

Vaccinate Hogs and Calves.
"This is no year in which to take chances: vaccinate your hogs for cholera and your calves for blackleg." This is the advice of the department of animal pathology of the University of Nebraska. Meat is so high that no stockman can afford to take out the insurance vaccination affords. Vaccine used for blackleg is supplied by the Government through the Department of Animal Pathology, University Farm, Lincoln.
A Fourth Without Fireworks.
Seward County had a new kind of a Fourth of July this year—a celebration in which fireworks, cannon crackers, and burned powder played little part. More than 800 farmers and farmers' wives in 125 autos took part in a monster Agricultural Tour of the County, looking over the best farms and farm houses.
This tour was arranged jointly by E. W. Smith, County Agricultural Agent, and Miss Esther Warner, County Home Demonstration Agent. All of the towns of the County gave up their usual celebrations and turned their attention to making the tour a success, with no counter attractions elsewhere. Things of the farm and of the kitchen were discussed by speakers on the trip.
A patriotic address at noon and a patriotic program in the evening gave the affair the color necessary to make it distinctly an Independence Day affair as well as an instructional event.
