Claims for Exemption.
(Continued from page eight.)

Herbert H. Kohle, Stuart, aged and infirm parents.
Albert R. Tooker, Atkinson, dependant wife and child.
James Simunek, Chambers, dependant wife and child.
Edward B. Kostlan, Emmet, dependant wife and child.
Tony Lech, Amelia, a resident alien.
Eugene D. Mayfield, O'Neill, dependant wife and child.
Charles R. Manson, O'Neill, dependant wife and child.
Walter N. Lulow, Ewing, dependant wife and child.
Ora N. Thomas, Paddock, aged and infirm parents.
Clifford T. Bollen, Orchard, U. S. Naval Service.
Joseph Ketterl, Stuart, aged or infirm parents.
John H. Gill, Stuart, aged or infirm parents.
Joseph F. Gallagher, Inman, aged or infirm parents.

The local board has passed upon about forty per cent of the claims for exemption on the grounds of dependant relatives. The work of passing upon the balance of the claims will be completed this week. The board will undoubtedly have to make another call to complete the county's quota.

MORE LOCAL MATTERS.

M. S. Conover, of Stuart, an old-time Frontier reader, is an O'Neill visitor today.

Mrs. V. Alberts went to Omaha this morning and will remain for about a month visiting with relatives.

John F. Fiala and Miss Bernardine Musil, both of this city, were granted a marriage license in county court last Wednesday.

Mrs. Richard Kennedy (nee Miss Mae Hunt) of Minneapolis, Minn., is in the city visiting relatives and old time friends.

Miss Gladys and Loyd Kesterson, of Carroll, Neb., arrived here the first of the week for a week's visit at the home of M. R. Sullivan.

Sister M. Alcott, who has been in St. Mary's Academy for some time, left Wednesday morning for Los Angeles, Cal., where she will make her home in the future.

Former United States Senator W. V. Allen, of Madison, has been secured to deliver the address at the Old Settlers' picnic, which will be held in Hunter's grove north of this city next Thursday.

In these days of high prices it is a novelty to run across some manufacturer that will not raise the price of his product, although the demand is greater than the supply. J. B. Mellor, local agent for the Ford car, says that the price of that popular car will not be raised. The great manufacturer again makes a ten strike.

The Best Laxative.

To keep the bowels regular the best laxative is outdoor exercise. Drink a full glass of water half an hour before breakfast and eat an abundance of fruit and vegetables, also establish a regular habit and be sure that your bowels move once each day. When a medicine is needed take Chamberlain's Tablets. They are pleasant to take and mild and gentle in effect. Obtainable everywhere. 8-5

Red Cross Notes.

The ladies of the O'Neill chapter are fitting up the basement of the library for a work room and permanent headquarters. They need chairs and sewing machines and if you have either you could spare for even a short time, notify Mrs. W. T. Evans, who will send dray for same. This room will be open three afternoons a week, Tuesday, Wednesday and Friday. It is the patriotic duty of every American woman to give some time to this work. It may be your boy or your neighbor's boy who will receive the blessings and comforts made possible by the great American Red Cross.

The Holt County chapter is becoming pretty well organized. Chambers, Stuart, Atkinson, Emmet, Page, Inman and Ewing are now working and we expect our first shipment to be a good one.

Do not wait for any one to invite you to do your duty. The Red Cross needs you. Your country calls you. Do not be a slacker.

ANNOUNCEMENT.

Of the Holt County Fair, September 11, 12 and 13th.

For weeks past we have been on "needles and pins" eager to make announcement of this bigger, better annual fair. Our committee has been working day and night harder than ever before, for the annual fair this year is to outstrip them all. Former exhibitors have shown tremendous interest. New exhibitors have enrolled and enthusiasm is aroused to red-hot pitch. All roads lead to the fair grounds and every tongue predicts for this year a most magnificent exhibit.

Now, then—it's up to you. Merchants and manufacturers all have contributed generously. They have made it possible for us to offer a premium list that is even higher class than last year, so show your appreciation, give your unselfish, ever-willing aid. There is one thing that every man, woman, boy and girl can do, and that is B-O-O-S-T.

We are relying on you to do your part.

Our annual fair is a business enterprise—a melting pot of ideas—a common ground on which we all can meet for mutual benefit.

We exchange ideas, study modern improved methods. We see, we learn, we meet old friends and make the acquaintance of new ones. We keep abreast of the advance in agriculture and the trades and thus our own community, through us and our efforts, is enabled to keep step with the ever onward march of progress—the advance of civilization. It is the aim of this society to make our annual fair one of the best held anywhere in the state.

To this end we call upon you to lend your every effort. You, and every resident in our county, hold the power of making our annual fair a big success or a dismal failure. Join in the festivities.

Let's whoop her up right now for

tremendous success and the honor of our county. Get the spirit, and the success of our annual fair is certain.

Write for premium list and full particulars.
P. C. DONOHOE, Secretary.

MAXWELL

Most Miles
per Gallon

Most Miles
on tires

The Maxwell is mechanically right.

All the world knows that today.

Why?

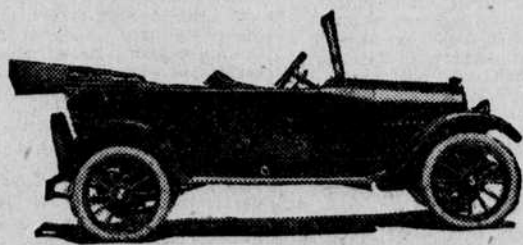

A Maxwell stock car went 22,022 miles without stopping the motor

—1092 Maxwells in our May gasoline economy contest averaged 27.15 miles on one gallon each.

2040 Maxwells in our June contest averaged 29.04 miles on one gallon each.

If the standardized, one model Maxwell were not mechanically right these achievements would have been impossible.

Isn't that the kind of efficiency—the kind of economy—you want in YOUR car?

ORANGE JOOJ!

Why?

Because it is a sparkling, wholesome fruit drink—made from the fresh ripe orange, sweetened with pure cane sugar and given just the right blend in the making.

A glass of Orange Jooj holds its refreshing, invigorating qualities to the last sparkling drop.

Its golden glow adds to your pleasure.

A NEW CREATION OF SCIENCE AND NATURE

WHEN we announced Bevo recently, our hopes were high. We knew that we had the most unusual soft drink that had ever been offered: A beverage combining the nutritive extracts of wholesome cereals, the zest of Saazer Hops, a flavor all its own and absolute purity. We knew this because, true to our own ideals, we had experimented for years before we were satisfied to say, "We offer you Bevo—it is a different soft drink—it is good and it is good for you."

High as were our hopes for its reception, we have realized them far and beyond our expectations.

Bevo today is an established popular success. Everywhere the same question is asked:—"Have you tried Bevo?"

Now, one final word. We promise you that, in accord with the known principles of Anheuser-Busch and all its products, Bevo not only will forever maintain its present high standard of quality, but as time goes on our great endeavor shall be to make this soft drink even more perfect in every detail of its goodness.

You will find Bevo at inns, restaurants, groceries, department and drug stores, picnic grounds, baseball parks, soda fountains, dining cars and other places where refreshing beverages are sold.

Guard against substitutes. Have the bottle opened in front of you, first seeing that the seal is unbroken and that the crown top bears the Fox.
