## LOW SUMMER FARES

WITHDRAWN SEPTEMBER 30

**TO EASTERN CITIES AND RESORTS:** The entire scheme of Eastern summer fares will be available during September, with return limits good until October 31st; this is the last opportunity of the year to visit the East at reduced rates.

**TO THE PACIFIC COAST:** The low-rates circuit tours are also available prior to September 30th; these are much lower than the winter fares. Our scenic Colorado California route is especially attractive during the Autumn.

**TO WESTERN RESORTS:** You can go to Colorado and Estes Park at very cheap fares during this month. Estes Park in September is an ideal place for a "rapid-health-come-back." The big National Parks will be open until September 15th. The Black Hills are available throughout the month. The ranches about Sheridan, Ranchester and Cody will all be open and can take excellent care of you, after the departure of the mid-summer crowds. Send for publications descriptive of any trip you have in mind and let us help you.

## WHEN

You wash woolen clothes at home, you're very careful of the treatment you give them to prevent shrinking. Our woolen department makes a speciality of this class of work. We give it personal attention, and if you will call and see our special flannel washer, you will understand why we can do the work better than you can at home.

## A GOOD FRIEND

A good friend stands by you when in need. O'Neill people tell how Doan's Kidney Pills have stood the test. H. W. Ritts, carpenter, of O'Neill, endorsed Doan's over seven years ago and again confirms the story. Could you, ask for more convincing testimony?

"I had suffered for two years from weakness in my back and I was in such a bad way that every time I stooped, sharp twinges darted through me," says Mr. Ritts. "A dull sort of pain through the small of my back bothered me day and night. Lots of times when I sat down it would only be with great effort I could get up again. I took only two boxes of Doan's Kidney Pills, procured from Gilligan & Stout's Drug Store, and they cured me. That cure was made five years ago and I have never had any trouble with my back since." (Statement given August 25, 1909.)

THE RESULTS LASTED.  
On June 20, 1916, Mr. Ritts said: "I recommended Doan's Kidney Pills even more highly than ever, because the cure they gave me is still lasting. I feel that I owe my good health to having used Doan's."
