The Spaniards have a saying: "He who stands near a tree finds good shade." Our people also have a saying: "He who has an account at The O'Neill National Bank has good service." Brother Reader, where is your money? Does courteous, helpful service mean much to you? If so, why not come and make our acquaintance?

Dominick, had been elected to a prominent position in the common pleas court at Pittsburg, Pa. There were six positions to fill and there were 1800 applications for the positions, one of which Mr. McCaffery received. The position is for life and pays a very lucrative salary. Dominick McCaffery was a resident of this city some twenty years ago and his many Holt county friends will rejoice at his good political fortune.

Mrs. A. J. Meals, of Valdez, Alaska, was a pleasant caller at this office last Friday, accompanined by Mrs. John A. Harmon. Mrs. Meals has been in the county since last fall, visiting with her son, George, near Atkinson. Mrs. Meals was a former resident of this county, Mr. Meals serving as county treasurer a little over a quarter of a century ago. Fifteen years ago they moved to Aalska, where they have since made their home. Mrs. Meals expects to return to her northern home about May 1st.

The Farmers Unions of Holt county held their regular quarterly meeting in this city last Monday, delegates being present from every union in the county. A farm bureau was organized and they will have charge of the farm demonstrator and his entire time will be devoted to Holt county, instead of Holt and Boyd as formerly arranged. Members of the union did not take kindly to the idea of having one farm demonstrator for these two counties and they raised vigorous objections, with the result that a change was

In the petition she alleges that they were married at Spencer, Nebr., on December 4, 1914, and that ever since that time they have been residents of this county. She asks the custody of their child, Loraine R. Heuton, aged two years, alleging that the defendant is not the proper person to have the care of the child. She alleges that defendant has personal and real property worth \$3,000 and she asks or reasonable suit money, permanent alimony and such other relief as the court may deem just and proper.

The U.S. Department of Agriculture is sending C. F. Curtis, Dean of the Iowa Agricultural College, to talk over with Nebraska farmers the important problems of production and marketing. A meeting will be held at Norfolk, March 28, at 2:30 p. m. Every farm community should send at least one representative, so that the deliberations of the meeting may be taken back home. Each representative should come prepared to present the special problems which exist in his community. The live stock situation, the seed corn and seed wheat scarcity, and the difficulty of securing farm labor are problems which are of special importance at the present time Good halls of large seating capacity will be furnished. The town will be placarded so that the halls can be

City politics has been warming up the past few days. There are now two candidates in the field for mayor. E. H. Whelan, present mayor, and F. J. Dishner, whom Mayor Whelan succeeded one year ago. C.
