A GOOD FRIEND

A good friend stands by you when in need. O'Neill people tell how Doan's Kidney Pills have stood the test. H. W. Ritts, carpenter of O'Neill, endorsed Doan's over seven years ago and again confirms the story. Could you ask for more convincing testimony?

"I had suffered for two years from weakness in my back and I was in such a bad way that every time I stooped, sharp twinges darted through me," says Mr. Ritts. "A dull sort of pain through the small of my back bothered me day and night. Lots of times when I sat down it would only be with great effort I could get up again. I took only two boxes of Doan's Kidney Pills, procured from Gilligan & Stout's Drug Store, and they cured me. That cure was made five years ago and I have never had any trouble with my back since." (Statement given August 25, 1909.)

THE RESULTS LASTED.

On June 20, 1916, Mr. Ritts said: "I recommend Doan's Kidney Pills even more highly than ever, because the cure they gave me is still lasting. I feel that I owe my good health to having used Doan's." Foster-Milburn Co., Mfrs., Buffalo, N. Y.
