Mr. Hunter, our Food Administrator says, what little flour there is left in O'Neill don't amount to much and there would be no sense in shipping it out and back again as we will need it all here and more too. It's a good thing to have a food administrator that uses his head instead of his jaw.

When some store keeper says he sells as cheap as John Brennan it means the same as when two women kiss each other.

A woman that thinks she can do as well in a credit store as she can for cash is like the ostrich that sticks its head in the sand and leaves the biggest end of its body out to be shot at.

Canvas slippers and shoes are killing the sale on leather ones. They are cheaper and they look good and wear better than leather shoes at a higher price. You can buy canvas shoes heavy enough for men or boys work shoes, or you can get fine white or black canvas shoes or slippers fine enough for dress.

The Decoration day program rendered at the K. C. hall last Thursday afternoon was largely attended, the opera house filled to capacity and several hundred being unable to gain admittance. The program rendered was very good, the address by Thomas Nolan being exceptionally fine. In fact Tom is winning a reputation of being one of the coming orators of this city, which is noted all over the state as the home of the best word painters in Nebraska.

Miss Edna Wano Gled, a graduate of the Nebraska Wesleyan School of Expression and Oratory, gave an entertainment for the Holt County

Teachers Institute Wednesday evening at the Presbyterian church. Miss Gled is a reader of rare ability and her entertainment was very well received by those in attendance. Mr. and Mrs. James F. O'Donnell returned last Saturday night from Kansas City, where they spent a day visiting Mr. O'Donnell's brother, Frank, who is stationed at Camp Funston. He was unable to get a furlough to come home and visit and as he is leaving there shortly they went to Kansas City to visit him for a day.

O. O. Snyder returned last Monday night from a three months trip through the Pacific coast states, the last month of which he spent visiting a sister at Los Angeles. Deyarman at Vancouver, Wash., Dr. Trueblood and Albert Newell, at Seattle; Mr. and Mrs. C. L. Bright, and Mr. and Mrs. Floyd Kelley at Los Angeles. He says that all the former O'Neill people are doing well and were very anxious to hear about the people back in "the old home town." Mr. Snyder says that everything the people talk about on the coast is war and soldiers are every where. He says that he had a splendid trip and seen many beautiful scenes, but was glad to get back to O'Neill.

Edward Egger, the twenty-two year old son of Peter Egger, committed suicide at the home of his father near Joy last Saturday afternoon. Young Egger enlisted in the navy some two months ago and lost his reason and was discharged and his father went to the Great Lakes training station, at Chicago, and brought him home a week ago Wednesday. He appeared to be getting along nicely and his relatives were of the opinion that he would be all right in a few weeks. Saturday afternoon he secured a shot gun, went into the granary, put the muzzle of the gun in his mouth and pulled the trigger. His brothers were in the yard at the time and rushed into the granary, but he was beyond aid. The funeral was held in this city last Sunday afternoon, the body being laid to rest beside his brother, who died in the service some three months ago. Mr.

Egger has the sympathy of the people of this county in his bereavement.

In 1893 Mr. Pine returned to Holt county and lived on his farm near Dorsey until the fall of 1910 when he moved to this city, where he made his home up to the time of his death.

Deceased had been a sufferer from cancer for a number of years, having taken treatment for the disease in Chicago in 1905, and secured what he thought was a cure, but the relief was only temporary. On April 22 he left for Savannah, Missouri, thinking to find relief from a specialist there, but to no avail and he passed away in that city on May 30th.

The children are: Mrs. J. B. Binkerd, Lynch; Mrs. J. I. Fleming, Harrison, Neb.; the Misses Alice and Esther who are at home and Clarence, who is in the service of his country in the engineer corps and is stationed at Corpus Christi, Texas. AN O'NEILL INTERVIEW.

Mr. Zimmerman Tells His Experience

The following brief account of an interview with an O'Neill man over nine years ago, and its sequel will be read with keen interest by every citizen.

H. J. Zimmerman, prop. of cream station, Main St., O'Neill, says: "For about two years I was in bad shape from kidney complaint, in fact I did not believe there was any hope of my being cured, as I had tried so many remedies without being helped to any extent. My back ached constantly. I often had to get up at night to pass the secretions and the passages were attended by a scalding sensation. Dizzy spells and pains in my head also caused me much misery. About four boxes of Doan's Kidney Pills rid me of all signs of kidney complaint." Statement given July 25, 1907.

On June 20, 1916, Mr. Zimmerman said: "The cure Doan's Kidney Pills gave me has proven permanent. It has been years since I have had need of them so I never fail to recommend them at any opportunity." 60c. at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Another splendid rain visited this county last evening, one and ten one-hundredth inches falling during the night.
