A PAGE FOR THE O'NEILL CHURCHES.

The business firms whose cards are printed on this page are co-operating to make it a "Go to Church Sunday Page" and space in center portion of the page is to be given each week for benefit of the O'Neill churches.

A portion of the page will be devoted each week to a short sermonette, preferably by one of the local ministers or laymen, whose contributions are respectfully solicited to make this page of its greatest value to the people of O'Neill and vicinity and the church. The sermonette should be of 200 to 400 words or even shorter, as the judgment of the writer may dictate, in no event longer than 400 words. The sermonettes should deal with the needs of the church, the necessity of attending church, or any timely topic of general interest pertaining to the church and its activities. The sermonettes will be published in the order in which they are received, and this page will be kept for a period of eighteen weeks.

WHAT'S THE MATTER WITH THE CHURCH?

Nothing, except that it is made up of mortals just like you and I, who are subject to all the weaknesses of the flesh. If all who joined the church were perfect there would be no need for a church.

Christ Instituted the Church as an organization in which men and women might work together with Him to save the world. There is every reason why we should affiliate ourselves with His church, and no excuse for not doing so.

The Greatest Economic Factor in the Community is the Church.—Your property is more valuable because of it. Take churches away, and real estate values would drop to the lowest figures, for you would not live here six months with your children if it were not for the church. It is a safeguard for the boys and girls.

When Your Dear Ones Die you always turn to the church for help and sympathy. The church is the only institution on earth which is concerned about the most vital questions of living men—Where will we spend eternity?

Go to Church Next Sunday and get the habit of attending regularly. It will do you good.
