the voters that in their reelection, their votes will be for laws beneficial to the people along the lines they have heretofore followed.

8. We are proud of the ability and the economy shown in the administration of our county officials and pledge the taxpayers of the county a continuation of the same. During the past two years, every crime has been prosecuted, the business in the various offices has been efficiently and economically carried on, and all visitors as well as those having business to transact have been treated uniformly courteous and received efficient service.

9. We appreciate the indefatigable work, the noble sacrifices and splendid patriotism of the women of America as shown and exhibited in this war, and we believe that they are entitled to equal suffrage with men. We therefore pledge our Legislative candidates to vote for the proposed Constitutional Amendment giving to women the right to cast their ballots at the polls.

10. We believe that the resources of the nation should be subserved in every possible way during the present war, and that all waste and unnecessary consumption of every kind and nature be eliminated and abandoned. To that we favor National Prohibition and pledge our Legislative candidates to the ratification of the Prohibitory Constitutional Amendment.

11. We unequivocally affirm our confidence and support in our soldiers and sailors. We appreciate that it is beyond the ability of man to express in suitable words the debt that not only the American people but the civilized world owe to those lads that left home, field, office and factory, and sailed under the protecting folds of Old Glory to a strange land and a strange people to wage the battle of democracy in Europe. Our hopes and our prayers are with them; and we trust that ere long they will safely return and be received into the arms of the most grateful people that ever welcomed the return of their heroes.

With this report was filed the minority report of Mr. Golden as follows:

"I fully endorse and approve all of the resolutions of the majority of the resolutions committee excepting paragraphs nine and ten and feel that however our sentiment may be, the matter of prohibition and woman suffrage should not be made tenets of the Democratic party, but should be settled by direct and majority vote of the people."

Moved by Scott and seconded by N. S. Butler that the resolutions adopted by the majority of the resolutions committee be adopted. Carried.

A WOMAN'S BACK.

The Advice of This O'Neill Woman is of Certain Value.

Many a woman's back has many aches and pains.

Ofttimes 'tis the kidneys' fault.

That's why Doan's Kidney Pills are so effective.

Many O'Neill women know this.

Read what one has to say about it:

Mrs. A. J. Mohr, says: "I had weak kidneys for years and gradually became worse until I was completely discouraged. For fifteen years I suffered from pain in my back and sides. I was restless at night and every day it seemed impossible to go through my day's work, for as soon as I lifted the least thing or when I got up from a chair, a pain caught me in my back. I happened to read of a case of a person who had been helped wonderfully by Doan's Kidney Pills, so I sent for some to Gilligan & Stout's Drug Store. I had taken but a few when I began to feel better. I kept on using

them and I gained rapidly in health and strength until I was free from the trouble. It has been over a year now since I have had any need of Doan's."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Mohr had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.
