NORTHEASTERN COLORADO is a wonderful wheat country, and a big success with beans, Sugar Beets and Potatoes. Corn, Alfalfa and native grasses enrich the dairy or live-stock man.

SOUTHWESTERN NEBRASKA ranches mean more than a grazing place for cattle. Corn, Oats, Rye, Barley and Alfalfa are grown to finish for "topping" the market.

WYOMING HAS unexcelled deeded irrigated lands, also irrigated homesteads under Government ditch—20 years to pay waterright, no interest. Ten thousand free 640-acre homesteads. Take some of this excellent land and keep your profits instead of turning them over to a landlord. Let me help you locate.

His Country's Call.

Last summer, when every young man's thoughts were on the war, a wealthy lumberman from Seattle arrived in New York on a business trip. His business having been attended to, he was a guest at a diner given one evening by an officer in the United States marine corps. As the hours and the flowing bowl passed, speeches became more and more frequent, everybody was wrought up, and there was no man so base as to say that he would not go to the front for his country.

Early the next morning the Seattle man started back home. A few days later the officer of marines received this telegram from "Did I enlist that night? If so, instruct me when and where to report."—Popular Magazine.

"Can I interest you in a piano player?" said the agent at the door. "No," replied the man of the house, "but if you know a good garden weeder I might be interested."—Detroit Free Press.
