## KEEP TO THE RIGHT.

"Keep to the right" is the law of the road, which when obeyed, saves one a world of trouble.

Society is a public highway on a grand scale—a great turnpike whereon a hurrying, jostling, wrestling crowd of badly-assorted humanity is ever thronging. Here is life in all its better phases—childhood with its golden hair and wondering eyes; youth with its widening, thoughtful outlook; manhood with its firm step and earnest purpose; old age with its bowed form and whitened locks. Here, too, are thickly strewn the wrecks of life—misguided childhood, headstrong and wayward; erring youth, rioting in frivolity and dissipation, and sowing the seeds of physical decay and moral death; vicious manhood, treading the downward road; and decrepit old age, sinister and sere with its painful memories and hopeless future—all commingling in the one great journey from the cradle to the grave.

How much discord, inharmony, and jostling would be avoided in this journey if each traveler would only keep to the right. There is a pitfall before you, young man; a temptation to do evil; a snare for your feet. You are forming habits of idleness, dissipation and extravagance, which will stick to you like the shirt of Nessus, hampering your noble efforts and eventually dragging you down to the gateway of despair. Keep to the right and avoid it.

That is a doubtful business venture, sir, in which you are about to engage; one perhaps involving loss of self-respect and sacrifice of manly principle. You see where, by taking advantage of your neighbor's ignorance, you can get the best of him in a trade; or by some smart trick of the law you can evade some responsibility you have willingly assumed, or shirk some duty that lies in your way. Keep to the right. There, only, is the path of honor.

When tempted to deal in gossip or scandal; to play the tyrant in your family; to withhold the gentle word of love or praise from her who walks by your
