The Store For Your Christmas

IT may be hard to realize that it is only thirteen days to Christmas. It's harder yet to squeeze into those few days the whole round of Christmas shopping. And hardest of all is the problem of gifts to men, with its demand on time, thought and money.

Because we are specialists in men's goods we can help you save all three—time, thought and money. Here in our store you will find a great variety at a wide range of prices; and here in a men's store you'll get the advice of those who really know what men want.

We can supply anything for any man, from a Hart Schaffner & Marx overcoat to the latest thing in cufflinks. The boys are now returning from service in the army of their country and they will want civilian clothing. My stock is complete and I can fit you out with up-to-the-minute clothes at very reasonable prices.
