Big Type Sows with Quality

WILL SELL

Monday, Feb. 24, '19

At My Farm Near

SOUTH NORFOLK

NEBRASKA

Selected From Nearly 100 Head

THE OFFERING

I have been raising Chester Whites for several years on a large scale and have always taken pride in raising them bigger and better each year. About a year ago I decided to reserve a nice bunch of sows for a sale this winter. These have been selected from nearly a hundred head and every one of them is a choice individual. I know they will please buyers that want big, lengthy sows with good bone, good feet and good blood lines.

THE SIRES

The sires of the offering carry the most popular blood lines of the high prize winners of the breed, which will be shown in the catalogue which is now ready to mail. Among the sires are Wm. Penn, a sire of scores of good ones; Snowball, another proven sire; Iowa Chief, who transmits his size and smoothness to his get, and others.

BRED TO

The offering is bred to Wm. Penn; Snowball; Nebraska Boy, a big boar you will like, and Fancy Boy's Son, a great son of that good sire Fancy Boy. The sows are bred for early litters.

Sale will be held at farm one mile southeast of South Norfolk, Nebraska, which is 48 miles southwest of Sioux City and 125 miles northwest of Omaha, on the C. & N. W. R. R.
