**Howard-West.**  
Miss Maude Howard and Mr. Everett West were united in marriage Tuesday morning at the Catholic parsonage at Norfolk, the Rev. D. W. Moriarity officiating. They were attended by Mrs. F. C. Parker, sister of the bride and Mr. West, brother of the groom. Miss Howard is the daughter of Mr. and Mrs. John Howard, who for many years were residents of O'Neill, but are now making their home in Norfolk. Miss Howard was a student of St. Mary's Academy for twelve years. Mr. West, son of Mr. and Mrs. James West, of Herman, is a railroad man with headquarters in Norfolk.

Mr. and Mrs. West will make their home in Norfolk after an extended eastern trip.

**Bain-Wolf.**  
A very pretty wedding took place Monday afternoon of last week at the

Methodist parsonage when Rev. Walker united in wedlock Mr. Elmer Wolf and Miss Ina Bain, both of O'Neill.

The bride was beautifully gowned in a burgundy jacket suit, with shoes hat and gloves of gray.

The groom was dressed in a suit of navy blue.

The bride was attended by her sister, Miss Alice Bain, while Mr. Milton McKeown acted as best man.

The bride is the daughter of Mr. and Mrs. Frank L. Bain, pioneer residents residing one and a half miles northeast of this city, and one of O'Neill's most charming young ladies. The groom, a very popular and industrious young man, is the son of Mr. and Mrs. Samuel Wolf, who are among the oldest settlers in this section of the state.

Mr. and Mrs. Wolf took the train Tuesday for the west where they will be gone for some time visiting friends and relatives. When they return they will go to housekeeping on Mr. Bain's farm, having rented it for the coming year. Their host of friends wish them many, many years of happiness and success.

**Brothers May Pass In Mid-Ocean.**  
Harold and Ray Hatch, sons of O. B. Hatch, may pass in mid-ocean, one enroute to devastated Belgium and occupied Germany and the other returning from the scenes of the great world war. Both are in the service, Harold in the navy and Ray in the hospital corps of the army of occupation. Ray, the older, has been in the service and over there for more than a year, being right up within the fire zone a major part of the time. Harold, in the navy, has been stationed at Goat Island, San Francisco bay, helping to man the coast defense batteries. Letters from both boys were received by Mr. Hatch the other day. Harold's letter announces that he has been transferred to New York with fifteen hundred sailors, to sail from there for Antwerp, Belgium, where they will man the German transport to be used in bringing the sailors back. The letter from Ray, stationed at Neuenahr, Germany, the great health resort, states that his detachment may start for home within the next few days. Ray's letter discloses that the Germans, before the war, recognized the gullibility of the American moneyed families and capitalized the same. Neuenahr is one of the great German health resorts where the bloods with money go to drink the mineral waters and bathe in the hot springs. Since the armistice the medical detachment of the American army, stationed there, with nothing else to do analyzed the mineral springs and found

nothing therein but water, with possibly a little surface mineral drainage from rusty farm machinery, etc. The famed hot spring is just like warm until artificially warmed. But Andy Carnegie and John D. Hawthorne before the war and were benefited, thus establishing the superiority of mind over matter.
