If you neglect kidney backache,
Urinary troubles often follow.
Doan's Kidney Pills are for kidney
backache, and for other kidney ills.
O'Neill citizens endorse them.
Mrs. L. E. Grass, O'Neill, says:
"Doan's Kidney Pills certainly are
fine. I have kept my kidneys in good
condition by using them whenever
they have become disordered. Before
I tried Doan's, I had frequent attacks
of kidney trouble. I suffered from a
dragging ache in my back, felt weak
and tired out and my kidneys acted
irregularly. Doan's Kidney Pills re-
lieved me and I have kept them on
hand since."

Greater Telephone Revenues Are Required

High Costs Have Increased Operating Expenses

Since the European war began there has been a steady increase in
the price of nearly everything we use. There has not been a corres-
ponding increase in telephone rates.

In order to meet the high cost of telephone operation, a revenue
in just proportion to the expense must be obtained.

The necessity for more telephone revenue is easily understood.

The cost of telephone operation has steadily advanced both be-
cause of the increased cost of material to the telephone company and
the increased living expenses of employees.

The consumer has realized the necessity of paying more for rent,
for food, for clothing and for transportation. The telephone indus-
try has been affected by the same conditions which have produced
higher prices in all of the necessities of life.

If this Company is to continue to furnish telephone service to the public
it must obtain such rates as will produce a revenue sufficient to cover the cost
of providing the service.
