#### LOCAL MATTERS.

Seth Noble, who has been looking after business interests here for the past few weeks, left for his home in Cal., last Friday afternoon. Work

on the new lumber shed has started and Manager Agnes expects to have the same completed within two months

Mr. and Mrs. P. D. Mullen returned last Sunday evening from Excelsior Springs, Mo., where they had been enjoying the baths in this popular resort for the past six weeks. P. D. says the trip did him a world of good.

A new Dodge car driven by William Boedecker, in which were four young ladies, struck a rut in the road and turned over, just north of the fair grounds last Thursday night, resulting in Boedecker sustaining a fractured leg and internal injuries. The young ladies were very fortunate, escaping with only a severe shaking up. Excessive speed is very dangerous and the surprise to many is that there have not been more accidents, as we have several young men who are extremely reckless every time they get behind the drive wheel in an automobile.

A large number of people attended the recital given by the students of the grammar grades of St. Mary's Academy, in the assembly room of that school, this afternoon. The program consisted of singing, by a large chorus of girls, recitations by Misses Hele n O'Kief and Dorothy Grover; several piano duets and a little play-let entitled "Cinderella." The story depicted Cinderella at home and at the ball and the parts were all taken by nine and ten year old children. It is a beautiful story and it was splendidly portrayed, the minuet at the ball being especially well done.

At the state convention of the Knights of Columbus, which was held in Omaha last week, Captain E. H. Whelan of this city was elected state deputy for the ensuing year, winning the election with a flattering vote over L. G. Brian of Lincoln. Mr. Whelan has been district deputy for the past three years and is splendidly equipped for the position to which he has been elected. This is the second time in the history of the order in this state that an O'Neill man has been elected to the highest position within the gift of the members of the state, A. F. Mullen being the former O'Neillite who was elected to this position.

#### NOTICE.

Notice is hereby given automobile and other vehicle owners that they will not be permitted to drive in the fields and hay meadows of the old Mike Gallagher place. No fishing and hunting allowed.

#### Retort Courteous.

Jones—Well, you and I won't be neighbors much longer. I'm going to live in a better locality.

Smith—So am I.  
 Jones—What, are you going to move, too?

Smith—No, I'm going to stay here.

#### Did Learn Something.

The stubborn optimist had declared there was no one from whom he could not learn something.

We had disputed him, and had plotted to heap confusion upon his head by shutting him in with the village bore who never knew anything for use.

After two hours with the V. B., the S. O. emerged pale, but smiling. "Arrh-harrh!" we snarlingly gloated. "And did you learn anything from him?"

"Yes," replied the optimist bravely. "I learned what an awful thing it is to be a person from whom no one can

learn anything."—St. Louis Globe-Democrat.

#### Oh, Moses!

Teacher—Now children, what are the national flowers of England.

Class—Roses.

Teacher—And France?

Class—Lillies.

Teacher—And Spain?

Silence for a minute in the class.

Then a small boy at the back of the

schoolroom said:

"Bullrushes, ma'am."
