

O'Donnell-Harte.

Patrick J. O'Donnell and Miss Helen Harte were united in marriage at the Catholic church in this city last Monday morning, Rev. M. F. Cassidy officiating, in the presence of several friends and relatives of the contracting parties.

Immediately after the wedding ceremony the bridal couple were served a wedding breakfast at the home of the bride's parents after which they took the Northwestern train for a short wedding trip to Omaha and Chicago. Upon their return they will go to housekeeping in their beautiful cottage on Everett street, between Third and Fourth, purchased a short time ago by the groom.

The groom is the son of one of the pioneers of this city and has resided in this county all his life. At the present time he is the assistant cashier of the Nebraska State bank and is one of the city's most promising young business men.

The bride is the daughter of Mr. and Mrs. William Harte, who are also pioneer residents of the county, having resided on a large ranch near Indian for several years. She is a very charming and talented young lady and has a host of friends throughout the county.

The Frontier joins the many friends of Mr. and Mrs. O'Donnell in wishing them many years of wedded happiness and bliss.

Another Bank At Bassett.

Bassett Leader: Bassett is soon to have a national bank, the only national

bank in the county, which will be known as the First National Bank of Bassett.

Arrangements, to this end were definitely completed here Monday morning when J. M. Flannigan of Stuart was in town for that purpose and later announced that the new institution would undoubtedly be ready for business about July 1st.

J. M. and J. C. Flannigan of Stuart are backing the new organization together with considerable local capital. The bank will start business with a capital stock of \$25,000 and a surplus fund of \$5,000, making it the largest capital stock of any bank in town.

V. A. Stockwell is to be the cashier for the First National.

Delightful Picnic.

Miss Alice Bain, who taught a very successful term of school in District 145, firmly established her reputation on last Sunday when she gave a picnic in a grove near the school premises.

The mere appearance of the festive board produced an atmosphere of pleasant anticipation among the guests that collected there for the social success of the occasion. A committee of three was appointed to take charge of the sports of the day. They were as follows: Jas. Connelly, Aaron Boshart and Edw. Early.

The sack race was first on the program. Lawrence Bruder and Harry Donohoe winning first and second.

The young mens race: John Donohoe, first; Bernard Matthews, second.

The girls' race: Anna Connelly, first; Tresa Gokie, second.

Boys' race: Connie Gokie, first;

CAN'T DO THE WORK

It's too much to try to work every day against a constant, dull backache, or sudden darting pain in the small of the back. Be rid of it. Try Doan's Kidney Pills. Your neighbors recommend them.

Mrs. Byron Parker, O'Neill, says:

"I have used Doan's Kidney Pills off and on for years and they have done me a lot of good. I take them when I get attacks of backache, which come on from overwork. Sometimes my back has been so sore and lame and has pained so terribly, I couldn't move another step. I have then used a box

of Doan's Kidney Pills and they have driven the pains away, strengthened my back and helped me in every way." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Parker had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

NEBRASKA

—is our state. Its present constitution was written in 1875, but during the forty-four years that have elapsed the state has developed to a degree that demands a new and revised constitution.

¶ All statutes, all laws are based upon the constitution. Hence the necessity of having a broad document. That will be possible only if broad men sit in the convention; men who are actuated by **patriotic intelligence** rather than **class prejudice**.

¶ Farmers and bankers, doctors and lawyers, preachers and teachers, carpenters and merchants, newspapermen and capitalists—intelligent men from every walk of life should be represented in the convention.

¶ Out from the hate, the strife and the strain of the war period a **NEW NEBRASKA** is emerging. If you want to have a part in this forward campaign fill out the attached coupon. Hand it to your editor or mail it.

I enclose \$1.00 for membership in the **NEW NEBRASKA FEDERATION**, with the understanding that all fees paid in shall be publicly accounted for and shall be used for publicity that will appeal for a broad constitution and a better state.
