His Father's Chance.

The teacher was teaching the mean-
ing of some new words. Among them
was the word "monopoly." She told of
the monopolies of Elizabeth's reign
and then of some of the present day.
Then to make sure that everyone un-
derstood it she decided to make a
more specific example.
"Jakie"—she turned to the son of a
pawnbroker—"supposing that there
was a great snow on the ground and
that all of the sleds this town held
belonged to your father. What would
he then have?"
Jakie's eyes grew bright and his
voice eager as he flashed back the
answer: "A chance to make a lot of
money."—Indianapolis News.
