Cox-Henry.

The many friends of Miss Audrey B. Cox and Mr. Paul Leon Henry were pleasantly surprised on the arrival of the daily newspapers Saturday to read in a West Point item therein that this popular young couple had slipped quietly away the other day and been married, at West Point, Monday of last week, the Rev. J. H. Oelerking, pastor of the Evangelical Association church officiating. The surprise was the more complete in that Mrs. Henry had returned quietly to O'Neill Monday evening, informing none but the immediate relatives and close friends of the happy event, while the groom, who is in the train service of the Northwestern, running out of Norfolk, had stopped off there to prepare a home for his bride. Mrs. Henry left Tuesday afternoon to join her husband at Norfolk, where they will make their home while Mr. Henry makes headquarters there.

The bride is the handsome and charming daughter of Mr. and Mrs. E. A. Cox and has made a large circle of friends during her residence of several years in the city. The groom is the eldest son of Mr. and Mrs. E. D. Henry of this city and a native of Holt county, having been born and grown to manhood in the vicinity. Both are popular members of the younger set. The Frontier joins with their many, many friends in extending congratulations and that they may enjoy a long, happy and prosperous wedded life.

Vaught-Wyant.

Miss Mildred Inez Vaught and Mr. Archie Raymond Wyant were married at the residence of the bride Monday evening at 11 o'clock, the Rev. George Longstaff officiating. Immediately thereafter the happy young couple left for Stafford, where the groom is engaged on a large haying contract. The bride is the charming daughter of Mr. and Mrs. J. A. Vaught of this city and the groom the son of Mr. and Mrs. Arch Wyant. The Frontier joins their host of friends in extending congratulations and wishes of a happy future.

Puckett-Hyatt.

Miss Ida Puckett and Mr. Ben William Hyatt, both of this city, were united in marriage at the Methodist parsonage Saturday morning at 10 o'clock, the Rev. Walker officiating. Both of the high contracting parties are well and favorably known to a host of friends, with whom The Frontier joins in extending congratulations and well wishes for a happy and prosperous future.

BACKACHE IS DANGEROUS

But Not So Bad If You Know How to Reach the Cause.

Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys. O'Neill people recommend Doan's Kidney Pills. Read this case: Mrs. Bowen, says: "I was having a terrible backache and the dull, heavy pain was so steady it seemed to wear me all out. I couldn't get much rest at night and it was all I could do to keep at my work. Many days I had a severe pain in the back of my head. My kidneys acted irregularly and showed they were out of order in other ways. Doan's Kidney Pills completely relieved me, so I am glad to tell others about them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Bowen had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

Big Fire South of Ewing.

Ewing Advocate: Approximately \$4,000 worth of damage was done by a fire which destroyed the barn and contents on the old Hodge ranch southwest of here, last Thursday night.

John Berigan, Jr. has the ranch leased and had a crew of men putting

up hay They were using the upper portion of the big barn for sleeping quarters. Mr. Berigan was the first to discover the blaze and it had made such progress that he had only time to rouse the men and all fled for their lives, some without securing their clothes.

The building, owned by J. L. Fisher, was totally destroyed, together with fifteen sets of harness, two saddles, a span of mules, one horse, a quantity of grain and other valuable material. The barn was covered by insurance, but not the contents. The latter belonged to Mr. Berigan, V. G. Kline and John Buffington.

The loss would likely have been greater only for the hot weather. The majority of the horses had been turned loose in an outside lot. When the fire was discovered it had gained such headway that the men barely had time to save their own lives.
