

# THE FRONTIER.

Did You Ever Stop to Consider How High Prices Will be this Fall. Never Before Has Merchandise been as high and as scarce as now. Prices are higher now in many instances than during the war. We still own thousands of dollars worth of merchandise at the old price, which means a saving of from 25 to 50 per cent for you. Can you in justice to yourself and family afford to let an opportunity like this escape your immediate attention.
