And be it further

Resolved, that it is the expression of said Board that County Road known as the Atkinson, Amelia and Inez Road, designated and established on April 5, 1918, and connecting the city of Atkinson with Amelia and known as the Atkinson, Inez and Amelia Highway and recommended by the Board for construction by the State Aid Funds and Federal Aid Funds is one of the most important Highways in said county, the freight and passenger traffic over the same being very large and constantly increasing. And be it further

Resolved, that it is the expression of said Board that the construction and completion of said Highways at the earliest practical moment by State Aid and Federal Aid Funds are urgently needed and demanded by the Public, and their early construction and completion are much more important and necessary for the public convenience than the construction and completion of the O'Neill and Spencer Highway, a road principally traveled by tourists. Holt County's Big Fair O'Neill, Nebraska September 10-11-12

The management is sparing no effort to make this by far the greatest Fair Holt county has ever held.

Our premiums on all live stock and fowls has been raised over former years about 100%. No county in the state now offers more liberal premiums than Holt county.

Our citizens have generously donated about \$700 to be given to exhibitors as special premiums. This is from two to three times as much as any other county in the state is offering as special premiums.

\$100 in cash will be given in premiums to Babys, besides a trophy valued at \$10.00 will be given to the grand sweepstakes Baby. Don't take the baby show as a joke; it will be the real thing, put on in the most improved methods. Comfortable accommodations will be provided for the Mothers and the Babys.

Amusements

In buying our free acts we had strong competition from Kansas City, Chicago and Sioux City. The Directors, President and Secretary selected what in our opinions were the best they had to offer. These are all strong features and will furnish splendid entertainment. There will be Base Ball, Horse Racing and numerous other sports.

And last but not least the Peerless

Joe Stecker

Will put on a finish wrestle on the grounds with a man supposed to be as good as he is. This is no exhibition. It will be the real thing to the finish.

You may never see another world champion. This wonderful young athlete is a native son of Nebraska. The west is justly proud of it's men and women for their mental and physical qualities. We want you to see Jos Stecker and it will cost you nothing but your admission to the Fair.
