

Road South of O'Neill.

The O'Neill Commercial Club is in receipt of a petition signed by 162 farmers residing in McClure, Lake, Conley and Chambers townships asking that the O'Neill Commercial Club and the members thereof use their influence and enterprise to procure for them, or to assist them in procuring, a direct road south, between the Range lines 11 and 12, to the south line of the county. It appears that like petitions have been submitted to the County Board of Supervisors asking for their official approval of such a road.

This petition has not been formally presented to or acted upon by the Commercial Club, but it seems to me as though the large number of farmers who have signed this petition are entitled to recognition in this matter, and are entitled to a straight or direct road to O'Neill for the purpose of traveling on when they come here to transact their county business, and deliver their produce over, and haul their freight thereon, without having to go several miles out of their way to get onto some indirect road for them leading to O'Neill.

In fact, it is my belief that every road leading into O'Neill should receive equal consideration, and especially in the instance of this road in question, and where it serves such a large number of farmers and ranch men. I do not believe that all the money should be spent on one road and none on another road of such interest and benefit to such a large number of farmers and tax payers as the proposed road would be.

C. M. DALY,
Sec. of O'Neill Commercial Club.

An Act of Congress approved July 11, 1919, provides:

"That hereafter in making appointments to clerical and other positions in the executive branch of the Government in the District of Columbia or elsewhere preference shall be given to honorably discharged soldiers, sailors and marines, and widows of such, and to the wives of injured soldiers, sailors and marines who themselves are not qualified, but whose wives are qualified to hold such positions."

Hurst May Not Be Prosecuted.

Harry Hurst, former Canadian soldier, who eloped with Miss Hannah Grimley of this city and who was brought back from Minneapolis by Sheriff Duffy last Friday, may not be prosecuted for desertion of his wife. The wife, an English girl whom Hurst married while overseas, and who was left destitute, ill and penniless when Hurst, taking their marriage certificate, ran away with the Grimley girl, is at the residence of Mr. and Mrs. G. W. Crocker.

Mrs. Hurst is a daily, and often more frequent, visitor at the county jail where Hurst is being held. County Attorney Chapman is authority for the statement that Mrs. Hurst has forgiven the erring husband and now wants to withdraw her name from the complaint. It is probable that application will be made to the court to permit her to do so. Hurst's preliminary hearing has been set for October 24. Hurst has a Croix de Guerre and in conversation with the county officials claims to have been shot up considerable by shrapnel and to suffer at times from shell shock, to which, with a strong attraction toward the fair sex, he attributes the trip to Minneapolis.

If the complaint against him should be dismissed he still would be liable under the federal white slavery act should anyone care to prosecute.

JULE UDEY ARRESTED.

Stafford Ranchman Charged With Cattle Stealing.

Jule Udey, residing on the old Bergtom ranch near Stafford, is under arrest charged with the theft of three cattle from the T. V. Golden ranch in Golden township. The Udey ranch and the Golden ranch are near together. The cattle, which are supposed to have been taken this spring, were not missed until sometime after by Mr. Golden. Two of them, it was learned when search was instituted, had been sold by Udey to William Anderson of Page. The third is said to have been sold around Orchard. Udey was brought to O'Neill Monday and his preliminary hearing set for October 27. He now is out on bond.

Joseph McKenna.

Joseph, the infant son of Mr. and Mrs. Charles McKenna, born to them Monday evening, died Tuesday morning after but six hours of life. Burial was in Calvary cemetery, Wednesday morning. The condition of Mrs. McKenna is reported as much improved Thursday.

The Melancholy Days.

This is the season Shakespere wrote about, the country not being dry at that time, when he said:
"The melancholy days have come,
"The saddest of the year.
"A little too warm for whiskey,
"And a little too cold for beer."

CAN'T DO THE WORK.

It's too much to try to work every day against a constant, dull backache, or sudden darting pain in the small of the back. Be rid of it. Try Doan's Kidney Pills. Your neighbors recommend them.

Mrs. Byron Parker, O'Neill, says: "I have used Doan's Kidney Pills off and on for years and they have done me a lot of good. I take them when I get attacks of backache, which comes on from overwork. Sometimes my back has been so sore and lame and has pained so terribly, I couldn't move another step. I have then used a box of Doan's Kidney Pills and they have driven the pains away, strengthened my back and helped me in every way."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Parker had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
