Upon his disposal of this newspaper the name was changed to The Holt County Independent under which title it is now published.

Kautzman, who is an old man, is state assembly of the Rebeckahs, left now serving a term in the Multnomah Tuesday morning to attend the meet- county jail on conviction of publishing obscene matter. Hunter, manager of the the Oregon State Editorial association, Farmers Union elevator company, the governor recently had the case inmade a business trip to Omaha the vestigated. Inquiry into the case was made by Millar McGilchrist, one of the attorney general's assistants.

Pardon Is Conditional.

"I am issuing this pardon conditioned upon Kautzman leaving the state and remaining out of Oregon and refraining from engaging in the publi cation or editing of a newspaper," says the statement by the governor. "Violation of these conditions will mean that he will be returned to serve out the unexpired portion of his sentence.

Give Us the Chance

WE are always glad to talk business with the man or woman with a Missouri viewpoint - "Show Me."

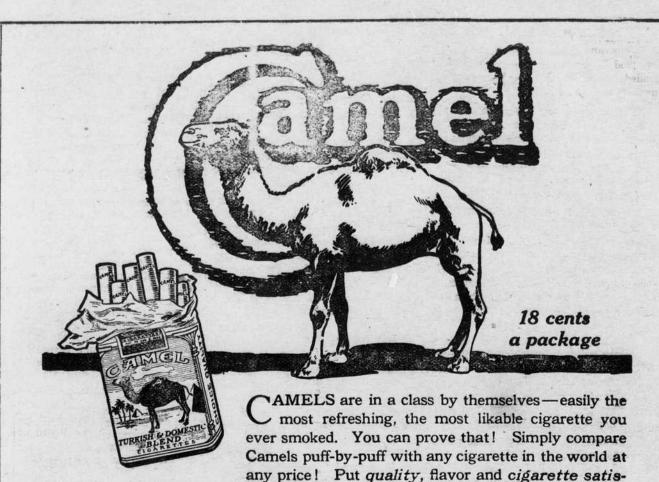

If you own dairy cattle what we can "Show You" in the way of a cream separator is going to intensely interest you.

The Primrose Cream Separator is the stingiest proposition on earth with cream — never wastes a drop. Equipped with two cream outlets instead of one, the cream is never crowded in flowing out. This prevents the breaking of the fat globules result, smoother butter.

The Primrose separator skims extremely close. The cream is always of uniform grade - is sweet, clean and always in first-class condition. And the warm skim milk is invaluable for calves and pigs. Built strong and simple, with frame open and sanitary, and supply can large and low. The Primrose is an ideal machine for the dairy farmer seeking maximum results,

There are so many exclusive good features connected with the **Primrose** separator that we know we can "Show You" where you will profit much by its use. Let us demonstrate its many fine points to you—if it is not convenient for you to call, 'phone us and we will bring a machine out with us to your home. machine out with us to your home.

Hear it for yourself the phonograph which amazed all O'Neill

RE you one of those who believe that no phonograph can A match the voice of the living human? An astonishing discovery awaits you-like the thousand O'Neillites who attended the Mrs. Mabelle Wagner Shank-Sokoloff Trio recital.

Thomas A. Edison gave his famous Tone-Test Friday evening, Sept. 26 in K.C. hall. He had Mrs. Shank sing in direct comparison with the RE-CREATION of her voice by the New Edison.* Then he had the Sokoloff Trio play in similar direct comparison with the Re-Creation of their art by the New Edison. Music loverswere completely

baffled. Their ears were unable to distinguish the RE-CREATED art from the living. You have never heard any phonograph that approaches the New Edison. It RE-CREATES not only the musical notes, but every elusive quality of tone and color which identifies the original artist.

The NEW EDISON

"The Phonograph With a Soul"

Come in and hear the identical instrument* which was used Friday Evening. Make the great discovery for yourself.
