

VOTE ON THE

LEAGUE OF NATIONS.

Are you in favor of the League of Nations as proposed by President Wilson? Or do you favor amendments to the pact as it is at present? Perhaps you are opposed to the United States entering any league at all. Every thinking person has an opinion one way or another on this vital issue. The United States Senate should be governed by the sentiment of a majority of all the people in acting upon the matter. To ascertain the sentiment in this community The Frontier submits the following ballot. Clip it out, place a cross after the proposition you favor and either take or mail the ballot to the O'Neill Cigar store, to be placed in the locked, iron ballot box there. The box will be opened in the presence of witnesses, at the cigar store, next Wednesday night, the ballots counted and the result announced in next week's issue of The Frontier. No ballots except those clipped from this issue of The Frontier, will be counted. This rule is made to prevent any over-enthusiastic advocate of any of the three propositions from stuffing the ballot box. It is not necessary to write your name upon the ballot. Merely place a mark opposite the proposition you favor. Any person clipping a ballot from this week's issue of The Frontier is entitled to vote. No extra copies of The Frontier of this issue are being, or will be, printed. Merely the regular edition. Following is the ballot:

- For the unamended League
- For an amended League
- Against any League
- Vote at O'Neill Cigar Store.

Set Clocks Back Saturday Night.

The country will go back to the old time basis Sunday, October 26, that date being the one on which the act repealing the time-savings law goes into effect. On retiring Saturday evening set the clock back one hour and get up by the pre-war time Sunday morning.

Torpy-Crowley.

Miss Florence Torpy, of Atkinson, and Mr. Walter Crowley, of Stuart, were united in marriage by the Rev. Father Loecher at St. Joseph church in Atkinson Monday morning. Both are well and favorably known in O'Neill and The Frontier joins their many friends in extending congratulations and best wishes.

Stevens Family of Inman Poisoned.

The entire family of Mr. and Mrs. William Stevens, residing near Inman, were poisoned Sunday, presumably from eating canned goods, and the little two-year-old daughter of the family is dead as a result, while the other members of the family have partially recovered and now are out of danger. The poisoning is supposed to have resulted from canned tomatoes served at the Sunday dinner. The little daughter died Monday night and the funeral was held Wednesday. The other members of the family have sufficiently recovered to be about again.

Britt-Gaffney.

Miss Marie Britt, of O'Neill, and Mr. John Gaffney, of Atkinson, were united in marriage at St. Patrick's church Tuesday morning, the Rev. Father M. F. Cassidy officiating. The bride was attended by Miss Genevieve Gaffney, sister of the groom, and the groom by Mr. Bart Malloy as groomsman. They left shortly after the ceremony on a short wedding trip to Omaha and other points, after which they will be at home on the groom's farm southwest of O'Neill. The Frontier joins their many friends in ex-

tending best wishes for a long, happy and prosperous wedded life.

TO THE VOTERS OF THE 54TH REPRESENTATIVE DISTRICT:

Your attention is called to the special election to be held Tuesday, November 4, to elect delegates to the Constitutional Convention, and is worthy your very careful consideration. All that possibly can should vote.

Being a candidate for delegate to the Constitutional Convention for this district, I take this method of saying a word to the voters.

I am a farmer with quite a bunch of stock to care for and their fall work to do, and help being scarce, I have had no time to get over the district and meet the voters as I would like to have done.

As a member of the Board of Supervisors of Boyd county for six years and three successive times a member of the Nebraska Legislature from this district, I have tried to serve the people to the very best of my ability in the interest of economic county and state government, and against corporate rule and class legislation in every form.

If elected as delegate to this Convention, I shall be very considerate and conservative in the changes that will be proposed to our State Constitution and vote only for such changes as I think, after careful consideration, will be for the best interests of all the people of the State.

The big business of Nebraska is agriculture and I know from actual experience as a member of the Legislature for three sessions will be of look well to their interest, consistent with my motto of "equal rights to all and special privileges to none." My experience as a member of the Legislature for three sessions will be of valuable help to me as a delegate in the Convention.

Your vote and support will be very much appreciated by me and if elected, my very best efforts will be to help in making for Nebraska the best State Constitution of any state in the Union.

Very respectfully,
CRIST ANDERSON.

John Bailey.

John Bailey, father of Mrs. George Longstaff, died at the residence of his daughter in O'Neill, Tuesday evening, after an illness of ailments incidental to old age. Mr. Bailey, with his wife, who survives him, came to O'Neill this summer, to reside with his daughter. The funeral will not be until Saturday morning, being delayed to await the arrival of relatives. The funeral will be from the Presbyterian church, burial being in Prospect Hill cemetery.

Lloyd Jenkins.

Battle Creek Enterprise: Neighbors and friends of Lloyd Jenkins were surprised as well as grieved to learn of his sudden death at a Norfolk hospital Tuesday afternoon. Mr. Jenkins was in Meadow Grove Saturday and aside from a cold which caused him to cough considerably he appeared to be all right. However, he suddenly grew worse and was taken

Give Us the Chance

WE are always glad to talk business with the man or woman with a Missouri viewpoint—"Show Me."

If you own dairy cattle what we can "Show You" in the way of a cream separator is going to intensely interest you.

The Primrose Cream Separator is the stingiest proposition on earth with cream—never wastes a drop. Equipped with two cream outlets instead of one, the cream is never crowded in flowing out. This prevents the breaking of the fat globules—result, smoother butter.

The Primrose separator skims extremely close. The cream is always of uniform grade—is sweet, clean and always in first-class condition. And the warm skim milk is invaluable for calves and pigs. Built strong and simple, with frame open and sanitary, and supply can large and low. The Primrose is an ideal machine for the dairy farmer seeking maximum results.

There are so many exclusive good features connected with the Primrose separator that we know we can "Show You" where you will profit much by its use. Let us demonstrate its many fine points to you—if it is not convenient for you to call, phone us and we will bring a machine out with us to your home.

to the hospital, but the doctors were of the opinion that he had ruptured a blood vessel and could do nothing to relieve him. He moved to this locality from Venus, Nebraska, a few weeks ago. Mr. Jenkins was about thirty-one years old and is survived by his widow and two children, a son and a daughter. The bereaved family have the sympathy of many Deer Creek friends in their great affliction.

Suspicious.

Patience—Yuo know he just cried for joy. Why tears were running down his cheeks and down mine, too.

Patrice—Well, all I have to say is you must have been pretty close to him to have his tears run down your cheeks.—Houston Post.

A Double Strain.

It was a stage rehearsal. The principal lady came upon the stage in walking costume and started to sing

THE PRAISE CONTINUES

Everywhere We Hear Good Reports of Doan's Kidney Pills.

O'Neill is no exception. Every section of the U. S. resounds with praise of Doan's Kidney Pills. Fifty thousand persons are giving testimony in their home newspapers. The sincerity of these witnesses, the fact that they live so near, is the best proof of the merit of Doan's. Here's an O'Neill case.

Harry Bowen, says: "Whenever anyone asks me about a kidney medicine, I recommend Doan's Kidney Pills, for I have used them. I get Doan's at Gilligan & Stout's Drug Store, whenever my kidneys start acting irregularly and my back feels lame. They always relieve the heavy ache and other symptoms and prevent more serious trouble by putting my kidneys in good condition."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bowen had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

her great song.

"My dear!" cried the manager, "you are surely not going to sing with your veil on?"

"Of course, I am," she replied. "I want to hurry off as soon as I finish. I have to meet a friend."

"But singing with a veil on!" expostulated the manager. "Well, well!" he added, in a resigned tone. "I can't

help it if you want to strain your voice." — Pittsburgh Chronicle-Telegraph.

The Poor Fish.

"I hear you are going to marry Arcie Blueblood?" said one society woman to another. "Is it true?"

"LARRY HIM?" explained the other. "Not likely. What on earth could I

do with him? He's rejected from the army, he can't ride, he can't play tennis, golf, nor, for that matter, can he even drive a motor car!"

"Oh!" said the friend, "but he can swim beautifully, you know."

"Swim, indeed! Now, I ask you, would you like a husband you had to keep in an aquarium?"—London Bightly.
