WE TOLD YOU SO

How many times have you heard those very same words? A great number of times, we should say, but you're not to late yet. In last week's ad we told you that you had better be thinking about winter and winter clothes. Some of you did and some of you did not. Those of you that did think of your winter clothes felt pretty good when you walked down the street several days last week. There is no use in buying a new overcoat when we can CLEAN AND PRESS AND REPAIR your old one and make it look as good as new. Think it over.

**Great Majestic Range Bargain Week
November 10th to 15th**

We make this extraordinary special value offer to you. Buy your Majestic Range NOW! The price is the same! The regular Great Majestic price. No extra charge whatever for your complete set of fine cooking ware. Yet you could not buy this set of cooking ware anywhere, any time, for less than \$10.00. And you cannot buy at any price a range that is the equal of the Great Majestic. Its first cost is practically its only cost. Long range life, economy of fuel, durability, and satisfactory service--make the Majestic the most economical of ranges.

Come to our Majestic Range Demonstration.

The representative of the manufacturer will be here at our store to help us show and explain to you the many Majestic features of superiority.

A Few Reasons Why the Majestic is the Range For You.

1. All-copper hot water reservoir; patented shifting lever controls water temperature.
2. Body of Charcoal Iron; resists rust and lasts 3 times longer than Steel.
3. Lined with Asbestos Board, 1/4 inch thick; prevents loss of heat and saves fuel.
4. Air-tight oven; all parts riveted together, assures perfect baking.
5. Large warming closets; roomy and convenient, with drop doors.

6. No springs on oven door; it is supported with strong, durable stake, and holds any weight placed on it.
7. Unbreakable malleable iron; permits rivet-tight joints; saves fuel and repair expense.
8. First joint of pipe double weight; pipe collar double strength; front of flue at top and bottom of oven covered with indestructible malleable iron--strongest where others are weakest.
9. Open end ash pan; like shovel, removes ashes easily and cleanly. Ash cup catches ashes that otherwise fall on floor.
10. Doors and splasher back beautifully paneled in White or Blue Enamel, if desired.
11. Cooking top burnished dark blue, requires no polish.
12. Heavy nickel trimmings; smooth as glass; stay bright, easy to keep clean.

There are Many Other Majestic Superiorities.

No other range gives you such value for your money. See and examine the Majestic critically at our Special Bargain Week Demonstration. The more you know about it, the more you will want it.

And get your set of Cooking Ware, without charge, by purchasing your Majestic now.

Neil P. Brennan, O'Neill, Nebr.
