A civil service examination is to be held soon at Niobrara to select a new postmaster for Spencer. Several of these examinations recently were held in western Nebraska in an endeavor to select a postmaster for Scotts Bluff.

As a consequence Earl Gaddis, private secretary to Senator Hitchcock, was moved to write a burning letter to the democratic leaders of those districts begging them if possible to find a democratic candidate who could pass the test. The democratic central committee of Boyd county should take notice and start the boys to night school.
