That Knife-Like Pain

Is Only One of Nature's Warnings of Weak or Disordered Kidneys.

Have you a lame back, aching day and night? Do you feel sharp pains after stooping? Are the kidneys sore? Is their action irregular? Use Doan's Kidney Pills—the medicine recommended by so many O'Neill people. Read this case:

Mrs. E. B. Jones, O'Neill, says: "There was a dull, heavy ache and stiffness in my back. When sitting still, I could stand it, but when I went to get up, I had to pull myself up and then I could hardly bear the knife-like pains. To even bend a little or walk around, hurt me. I knew my kidneys were causing the suffering because they acted so often. Two boxes of Doan's Kidney Pills completely relieved me. On two occasions since when I felt I needed Doan's, they did just as good work as ever."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Jones had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Dennis Decides.	
Dennis O'Brien, a farmer, with his better and more talkative half, was up for the day to see the wonders of Dublin.	
Seeing some waterproof gloves for sale, the homely farmer's wife remarked, "Arrah, now, and phwat would be the use of them things at all?"	
"Whisht, ye blockhead," answered Farmer O'Brien, impatient at such ignorance. "Don't you know them is for washin' yer hands without wettin' the skin?"	
Always At It.	
"I know a man who is at the turning point of his life every night."	
"How can that be?"	
"He tends the big revolving light."	
—San Francisco Chronicle.	
Maybe So.	
"Squirrels seem to be increasing in numbers in our parks."	
"Guess they're well fed."	

Willard
STORAGE BATTERY

If It's a Battery Be Sure It's New

It isn't good business to buy a battery that may be months old when you get it.

The only safe thing to do is to buy a Willard Battery with Threaded Rubber Insulation that has been shipped and stored bone-dry, and consequently is brand new when it begins to work for you.

Drop in some time and let us explain this process to you and tell you why it is only possible with Threaded Rubber Insulation.

"Yes, and I take them are passing the law's delay."

Mistress—Well, that is plain enough.

John's Dilemma.

John, the butler, looked very worried when his mistress exclaimed, "What's the matter, John?"

John—Well, it's like this: I've a letter from the master, saying he

wants his drawing materials sent on to him.

John—Well, I don't know whether to send his paints and brush or a corkscrew.

No Delay.

"Can't understand this stuff about

the law's delay."

"Aint no delay about the way a rural speed cop hustles you before a judge."
