WHAT THE GOVERNMENT IS DOING FOR YOU

We have cause in every way to feel proud of our country, but we are as a nation too little informed as to the activities and actual benefits of our Government. To remedy this situation locally, we have secured the exclusive right to distribute a series of attractively illustrated folders and booklets in which are given new and interesting facts about Our Government and how we all share its beneficent influence.

We will gladly send one of this set each month to those who will request it, and as a permanent container for this valuable information, we will present a substantial brown and gold portfolio upon personal call at this Institution. No obligation.

There's always room at the top

for Highest Possible Quality at Lowest Possible Price

THERE was plenty of room at the top for a cigarette of tip-top quality at a rock-bottom price. That's where Spur comes in. And that's where Spur stays. For men who judge a cigarette by its looks, by its blend, by its taste—well, Spur was made for them. Spur's new blend of choicest Oriental and American tobaccos brings out to the full that good tobacco taste. Spur's satiny imported paper, crimped (not pasted) makes an easier-drawing, slower-burning cigarette. Spur's smart brown and silver packet, three-fold, preserves the Spur flavor and fragrance. Money can't buy anything better!
