EDUCATIONAL NOTES.

Test cards, blanks and instructions, which are required to make the physical test of school children according to law, will be sent out to the teacher of each school soon. Specimen books for school exhibit

work from the rural schools are now ready for distribution.

Prize money to the amount of \$90.50 was awarded Holt County school exhibit at the State and County fairs. The prizes for this year are the same as for last year and we hope that more schools will send in their best work and try to make this year's exhibit the best Holt county ever has had.

The next Teachers' Examination will be given November 20, 1920. One day only. County certificate subjects also life certificate subjects will be given on that date.

The following districts have been visited since September 6th: District No. 15, No. 5, No. 171, No. 60, No. 93, No. 17, No. 37, No. 8, No. 90, No. 9, No. 24, No. 150, No. 127, No. 124 and No. 64. The schools in most cases were found to be well organized and the work progressing nicely. It was noted that most of the school houses had received a good thorough cleaning inside and several had received new coats of paint on the outside.

The superintendents for the grade schools in this county are: C. C. Golden, O'Neill; F. A. Jederman, Atkinson; John Muhm, Stuart; O. R. Bowman, Ewing; Elizabeth Flood, Chambers; L. L. Leh, Page; L. B. Shallenberger, Inman.

All mounted school work on exhibit at the State and County fairs will be given to the owner if called for at this office.

ANNA DONOHUE,
County Superintendent.

Vote for RE-ELECTION of

CHIEF JUSTICE
Andrew M. Morrissey

"The political parties have made no nominations for Chief Justice. The Chief Justice is not elected as a party candidate, but his name will be found with other Judicial Candidates, and school officers on a separate ballot. We favor the re-election of Chief Justice Morrissey because we believe in the law designed to take the courts out of politics and to elect Judges because of their qualifications. Six years ago when he became Chief Justice the courts were about three years behind. Today the court is as nearly up with its work as it is practicable for a supreme court to be. Credit for this is not wholly due to the Chief Justice, but other members of the court who have contributed to this result give full credit to Chief Justice Morrissey for his share in its accomplishment. He has executive ability that acts results. He enjoys the friendship and co-operation of his associates. He has the respect and confidence of the lawyers who have business in the Supreme Court. He has helped to clear away many technicalities of the law. Law-breakers have been brought to justice and honest men enjoy the protection of the courts. If you are in doubt about how to vote on Chief Justice, ask your District Judge."—Lincoln Tribune.

HARDLY COMPLIMENTARY.
Boston Transcript: "Did you give the penny to the monkey, dear?"
"Yes, mamma."
"And what did the monkey do with it?"
"He gave it to his father who played the organ."

GUARANTEED
Kansas City Star: An Altoona girl, says the Tribune, sent 50 cents to a Chicago advertiser for a receipt to whiten and soften the hands. She received the following formula: "Soak them three times a day in dishwater, while your mother rests."

WOULD BLOCK TRAFFIC.
Edinburg Scotsman: Policeman—What are you standing 'ere for?
Loafer—Nuffink.
Policeman—Well, just move on. If everybody was to stand in one place how would the rest get past?

UNCALLED FOR PUNISHMENT.
Houston Post: The little man had settled down in the train to read and feeling drowsy after a hard day at the office fell asleep. On the hat rack above was a basket containing a ferocious crab, and reaching the edge of the rack, it fell, alighting on the man's shoulders, and grabbed his ear to steady itself. The passengers waited expectantly, but all they heard was: "Let go, Sarah! I tell you I've been at the office all the evening."

AND PRICES SLUMPED.
Everybody's Magazine: After a salesman had sold a big order of goods to the Scotch buyer for a Chicago store, he sought to make the Scot a present of a box of cigars.
"I'm sorry I canna accept," the Scot said, "but there's a rule of the hoose that ye canna take presents from salesmen."
"Well," laughed the salesman, "I'll

sell them to you for five cents then."
"That's different now," the canny buyer replied after taking a good sniff at the box. "I can buy my smokes anywhere I please. I'll take four boxes."

AN AUTHORITY ON SCOTT.
Edinburg Scotsman: "Are you fond of literature?" asked Mr. Bowdly.
"Passionately!" Miss Tubbs replied.
"Then you must admire Sir Walter Scott," he exclaimed with sudden animation. "Is not his 'Lady of the Lake' exquisite in its flowing grace and poetic imagery?"
"It is perfectly lovely!" she assented, clasping her hands in ecstasy. "I suppose I have read it a dozen times."
"And Scott's 'Marmion,'" he went on, "and 'Peveril of the Peak?'"
"I just dote on them!" she said.
"And Scott's Emulsion?" he said hastily, a faint suspicion dawning upon him.
"I think," she said, "that it's the best thing he ever wrote!"
"Are you going to vote the same as your husband?"
"I wouldn't for the world—but he won't tell me how he's going to vote."

First

Miss Shepherd sang, "In the Gloaming." The New Edison stood on the stage by her side.

Then

She suddenly stopped singing. The New Edison took up her song, and continued it alone.

185 times - no difference!

Miss Betsy Lane Shepherd, famous concert soprano, has made this test 185 times. 185 public audiences, in 185 cities, have heard her compare her voice with its RE-CREATION by the New Edison. No one, out of a total of more than 100,000 listeners, has been able to tell when Miss Shepherd was singing, and when the New Edison—except by watching her lips. 4,000 similar tests of direct comparison, made by over fifty other celebrated vocalists and instrumentalists, have given this same result. The New Edison is perfect realism achieved!

What kind of music "gets" you?

Tell us—and we'll show you how all its emotional power is RE-CREATED by the New Edison

Is it the soulful violin?—a mellow contralto?—the scintillating flute?—a sweet, soothing tenor?—that draws the quickest emotional response from you.

Let us play your favorite voice or instrument in a new kind of Realism Test. See whether you are touched by the RE-

CREATED music in the same way that you are touched by the living music. We want to show you that the New Edison RE-CREATES all the vital power in all music. Remember what to ask for—"personal favorites" Realism Test!

The NEW EDISON

"The Phonograph with a Soul"

Perfect realism is your one vehicle to the inner joys of music which you crave. Mr. Edison spent three million dollars in the research work which gave the New Edison perfect realism. He did this in order that the phonograph might transcend its former limitations and (here we quote Mr. Edison's own words), "bring into every American home, music so realistic and so perfect in its rendition as to be an unending source of benefit and pleasure." The instruments which proved this perfect realism in Miss Shepherd's 185 tests were all exact duplicates of the original Official Laboratory Model on which Mr. Edison spent his three million dollars. You can also have an exact duplicate of this three million dollar original. We have it in our store, and guarantee it to be capable of sustaining the same test of direct comparison.

Important Practical Detail

Our Budget Plan brings your New Edison for immediate enjoyment, without asking for immediate payment. Ask about it when you come in to hear the "Personal Favorites" Realism Test.
