The Cleveland base ball team of the American league proved their superiority over Brooklyn, the champions of the National league, by winning the first, fourth, fifth, sixth and seventh games in their battle for the championship of the U. S. A. and the nice little bundle of mazuma that goes with the title. Coveleskie, the big spit ball artist of the Cleveland team, proved himself master of the Brooklyn

players, by winning the three games that he pitched, shutting them out in the last contest with a score of 3 to 0. Several of the local sports won some expense money by backing the American league champions.

The foot ball team of St. Mary's Academy is of the opinion that they are entitled to be classed as champions of this section of the state, for school boys under the eighth grade. They have played three games this season with the high school team and were victorious in two of the three. The first game they won with a score of 6 to 0. In the second game they were a little off and went down to defeat by a score of 18 to 0. The third game was played Tuesday afternoon and they triumphed, defeating their opponents with a score of 12 to 0. Manager Jack Arbuthnot says that they have a "real" ball team.

This office received a letter from A. E. Wilson, the first of the week, announcing his safe arrival at his future home at Salem, Oregon. He said they reached there on September 26th without any car trouble, after a very delightful trip. He also added that the latch string would always be hanging on the outside for any of his Nebraska friends. Bert has been a resident of this county for many years and still owns his farm here, but thought he would like to try Oregon life for a while. Here's hoping that when he gets tired of life in that section he will return to his first love, old Holt. In the meantime The Frontier will visit him each week and keep him posted upon the happenings in this section of the country.

Humphrey Democrat: On last Wednesday morning at 9 o'clock at the Sacred Heart Church in Cornlea occurred the marriage of Miss Lillian Melcher, of this place, and Mr. Richard Janzing of O'Neill. The impressive ceremony was attended only by immediate relatives and a few friends of the family. The bride looked charming in a dress of white georgette trimmed with beads and her veil of silk tulle fell in soft folds to the bottom of her dress being caught in her hair with beads. She carried a beautiful bouquet of rose buds and fern leaves. She was attended by the groom's sister, Miss Rose Janzing, who was attired in a light blue crepe de chine. The groom's man was attended by the bride's brother, Edward Melcher. Following the ceremony and nuptial mass a reception was held at the home of the bride, northwest of town, and the day appropriately spent in celebration of the happy event. In the evening a dance was given in the hall here in honor of the young couple and this was largely attended by their friends. The bride is a daughter of Mr. and Mrs. John Melcher. She is blessed with the characteristics that will make her a helpmeet in the true sense of the word, and her amiability and graciousness have made for her a host of friends among her associates. The groom is a stranger to us but he has the appearance of being a genial young man of pleasant bearing, agreeable to meet and is said to be very popular at O'Neill. We join with the many friends of the bride in this community in extending our best wishes for joy throughout many years and hope that health and wealth may be their portion in the days that are to be theirs.

O'NEILL LINE TO COST THREE MILLION

Sioux City Tribune: Three million dollars is the estimated cost of the proposed 100-mile extension of the Sioux-City-O'Neill line of the Burlington to Theadford, Neb. Nearly 1,000 square miles of territory, much of which has been undeveloped because of a lack of transportation facilities, will be served by the new line. Connections at Theadford with the main line of the Burlington to Billings and the Pacific northwest will make Sioux City the market not only for the central western section of Nebraska, but also for Wyoming and southern Montana.

Anticipating the effect which the new line would have the Omaha and Lincoln Chamber of Commerce have assumed a hostile attitude toward the project and toward the Interstate Commerce commission which ordered the building of the road on the request of the people of the section the new line would benefit, it was pointed out by Chamber of Commerce officials here.

Secretary William Holden, of the Chamber of Commerce, believes that the extension will make Sioux City the market for much grain and livestock which has heretofore been sent to other railway terminals as well as developing a territory which makes Sioux City its trading point. The chamber is boosting the project.

Routing of western passenger traffic will be considerably affected by the new line according to railway men. Denver connections will then be as direct as they now are when Sioux City people are compelled to go to Omaha and will save four hours on the trip as well as 100 miles of travel.

COLUMBUS DAY OBSERVED.

Columbus Day was fittingly observed Tuesday evening with an extensive program at the Knights of Columbus hall listened to by a capacity and most appreciative audience. The program consisted of an address by Senator James A. Donohoe and several musical numbers and was presided over by the Hon. T. V. Golden who also delivered a short address at the convocation of the gathering. Senator Donohoe in a most eloquent and pleasing vein, recounted the discovery of America, the vicissitudes of Columbus and his unflinching courage, and told of the founding of the order of the Knights of Columbus, its purpose and of its great work for country and

humanity during the twenty years of its existence. A piano duet by Miss Agnes Shoemaker and Miss Helen Campbell, vocal solos by Mrs. Harry Reardon and Miss Mary Fitzsimmons, a violin solo by Miss Loretta McNichols and a reading by Vincent Whelan comprised the other pleasing numbers of the program, which concluded with the singing of "The Star Spangled Banner" by the large audience. Following the program was a dance.
