LOCAL MATTERS.

E. M. Gallagher was in Inman Thursday.

Attorney J. D. Cronin was looking after legal business in Norfolk last Wednesday and Thursday.

George Campbell was down from Atkinson election night, coming down to see the Leahy-Reed fight.

Supervisor Fred Watson was up from Amelia last Wednesday, having brought up the returns from Wyoming township.

The snow storm of Sunday and Monday was a forerunner of what was to happen to the democratic party on Tuesday.

Supervisor Mike Rotherham was up from Deloit last Wednesday, having come up to see how the republicans enjoyed their victory.

Mrs. J. A. Cowperthwaite returned last Saturday evening from Bushnell, Ill., where she had been visiting relatives for several months.

County Agent Frank Lancaster went down to Norfolk last Wednesday morning where he attended a meeting of the district county agents.

Eugene Leahy, formerly of this city, was in the city the first of the week, accompanying his brother, John, who participated in the boxing match here on election night.

The Misses Jeanette Doyle and Mary Witherow, instructors in the O'Neill High School, are in Omaha the latter part of this week attending the State Teachers convention.

Jack Sullivan, who visited a few days here last week left last Friday evening for Hot Springs, South Dakota. Jack is now on the road for a large electric company.

The republican landslide last Tuesday is a warning to all future aspirants for the presidency that the people will not tolerate a King in the executive mansion at Washington.

The local Yeoman chapter entertained at a children's festival in the I. O. O. F. hall last Friday evening. An extensive program, prizes and refreshments made the evening a most enjoyable one.

Word received here today indicates that W. I. Chapman of Atkinson, one of the old time residents of this county, was quite ill. His son, H. O. Chapman, who is in the insurance business at Sioux Falls, South Dakota, was called home yesterday.

M. H. Horriskey, Tom Griffin, J. D. Cronin, H. J. Reardon, Arthur Ryan, J. C. Gallagher, P. B. Hart and H. J. Hammond went up to Lead, S. D., last Friday evening where on Sunday they assisted in the installation of a large class of candidates into the Knights of Columbus.

A porcupine, said to be the first ever killed in this section of the county, was run over and killed by Tom Rae and a baling crew, in their jitney, Friday night, near the old Grover Shaw place. The car came across porky in the roadway after dark unexpectedly and could not avoid hitting him. He was badly crippled and finished off with a hammer. Later the carcass was brought to town and displayed at the Dimmitt pool hall.

Jack Leahy, of Winner, S. D., formerly of this city, welterweight, knocked out Harry Reed Lincoln lightweight, in the fifth round of a scheduled eight round bout, at the K. C.

hall last Tuesday night, before a good sized crowd of lovers of the fistic game. Leahy outclassed his opponent but Reed was game, and although he hurt his hand in the second round he continued the scrap and gave a good account of himself until Leahy landed the haymaker that put him away for the count. The bout was staged by the local post of the American Legion.

Sheriff Duffy and Holt county's law enforcement officers are specializing on the apprehension of jail breakers at present. Forrest Hollzclaw and Wesley Salisbury, escaped from the Pierce county jail, were arrested here by the sheriff election day. The boys were landed when they attempted to telegraph to the mother of one for money to aid them in making their getaway. They were returned to Pierce county Wednesday morning. This is the second pair of jail breakers to be arrested in the county within the last two weeks, two from Boyd county jail being taken at Atkinson last week.

Mr. and Mrs. W. V. Hunter entertained the Et. A. Virp Club and their husbands Friday evening, October 29, at a Six o'clock dinner, after which the evening was spent in cards, games and Hallow'een jokes. Those present were Mr. Mrs. Shaulis, Mr. and Mrs. Sauers, Mr. and Mrs. Clauson, Mr. and Mrs. Radaker, Mr. and Mrs. Lancaster, Mr. and Mrs. Graves, Dr. and Mrs. Burgess, Mr. and Mrs. Haffner; out of town guests: Miss Esther Credit, of Winner; Mrs. C. P. Nison of Fullerton, Miss; Dr. Johnson of Gresham, Neb. At a late hour all departed expressing their thanks for a pleasant evening and wishing Hallow'een came more often.

Earl Enders, Sioux Falls, and Gordon Carmichael, Worthington, Minn., youthful bandits who broke into the drug store at Page last Thursday night and rifled it of a small amount of money and considerable cheap jewelry, will be taken to the reform school at Kearney Friday by Sheriff Duffy. They were apprehended at Sioux City last Friday after Sheriff Duffy had ascertained that they had left Page Friday morning for that city and brought here Saturday. Ingersoll watches and trinkets of like value taken from the store were found on them and they readily confessed. They had overlooked considerable jewelry and some watches of real value in their looting. Both are less than seventeen years of age and both very much "hard boiled."

"THIS IS THE LIFE."

Herald both by press and public as a genuine sensation in musical farce, William Cushman's new song and dance show, "This Is the Life" which is scheduled for an appearance at the K. of C. Theatre next Wednesday, November 10th goes beyond expectation. The company is unquestionably one of great merit, and its refined, versatile and talented artists are capable of giving a most pleasing entertainment. The delightful feature of the performance is the happy mingling of the musical numbers and uproarious comedy. This has been done with the most consummate taste. Add to this the many pretty girls, funny comedians and splendid stage surroundings and you get an ideal production.—Adv.

O'NEILL HIGH AND GREGORY FRIDAY

The High School foot ball team is being put through a strenuous week of practice in preparation for the game with Gregory Friday, November 5th. Coach Conklin will make several shifts in the lineup to stop the fast Gregory backs. Captain Whelan, who has been disabled with a broken collar bone will start the game at quarter. Stortz, star tackle, was slightly injured in scrimmage but will start Friday. In Dolan and Stortz O'Neill has a pair of tackles that are hard to beat. Sullivan at guards is a demon tackler. Beha, who will do the punting, is a reliable kicker. He gets his punts away fast and for long distances. Faulhaber, Hatch and Whelan are fast and shifty backs. Hammond a dependable center, who passes the ball well. Mellor, Gilligan and Stannard are fast ends, all good on the receiving ends of the forward pass. A rally will be held at the High school Wednesday morning.

Republican headquarters claimed election of congressmen in the First, Second, Third, Fourth and Eighth

districts, but democratic leaders refused to concede anything.

Here—
you "Know-It-All"

ONCE in a while we run across a man who says, "Aw, they don't make cigarettes like they used to—one's as good as another now-a-days."

All right, we'll give that smoker any kind of odds he wants on Spur and win hands down.

Perhaps you are looking for that good old-time tobacco taste. Spurs are chock full of it. Couldn't help but be, with that jim-dandy blend of choice Turkish, fine Burley and other home-grown tobaccos.

Light up a Spur—take a long puff—and quicker than you can say "Jack Robinson" you will jump for a seat on the Spur band wagon.

Spurs have another surprise for you—they're crimped, not pasted. No other cigarette is rolled with the crimped seam, and you benefit by easier drawing, longer burning, better taste.

And here's extra measure—three-fold package of rich brown and silver to keep Spurs fresh and fragrant.

No use dodging—Spurs meet you at every turn.

Cigarettes

Man, what a wonderful tobacco fragrance is wafted up to you as you cut open the centers of the new Spur tin. Fifty cigarettes—kept fresh—vacuum sealed.
