

THE DEPOSITORS GUARANTEE LAW OF NEBRASKA

The Depositors Guarantee Law of Nebraska is functioning More than \$200,000.00 have been saved the depositors of the Farmers State Bank of Page, in this county, through its operation.

M. R. Sullivan, the receiver, now is paying off the depositors from this fund.

Deposits in State banks only are afforded this protection. It does not apply to National banks.

The Nebraska State Bank is the only bank in O'Neill offering this protection, and operating under the Depositors Guarantee Fund of the State.

We pay 5 per cent on time deposits.

You can not afford to be without this protection.

Call and see us.

Nebraska State Bank of O'Neill

FARM BUREAU NEWS.

The annual Farm Bureau meeting was held at the Court House in O'Neill Friday afternoon and the court room was filled with farmers from different parts of the county. It was the best annual meeting ever held in the county. The following officers and directors were elected for the coming year: President, A. F. Sauer, Vice President, Jacob Hirsch, Secretary, Ray Martin, Treasurer, I. R. Harding,

Directors: T. J. Donohoe, H. A. Trowbridge and Sam Hickman. N. W. Gaines was the speaker of the day and gave a good explanation of the state and National Farm Bureau Federation. At the close of the meeting a motion was made that the County Farm Bureau board be instructed to contract with the State Federation to put on the membership drive in the county. The vote was nearly all for the membership only one voting

against it. This will connect the Holt County Farm Bureau with the State and National Bureau which has over a million and one-half members at the present time. The following is part of the program of the National Farm Bureau Federation as adopted at the convention last week in Indiana. It endorses the work being done by the Farmers Marketing committee of Seventeen and approve the demand which they have made that the grain exchanges be opened to cooperative commission companies, and demand a similar privilege for the livestock cooperative commission companies from the livestock exchanges. They approve the provisions of the Federal Farm Loan Act for the making of farm loans through the Federal Land Banks under a co-operative plan to actual farmers for agricultural purposes. They demand an amendment to the Federal Farm Loan Act increasing the loan limit to \$25,000. They denounce as un-American the principle and are opposed to guaranteeing a fixed return to public utilities and railroads on a cost plus basis. Action was taken on several other bills before congress and a referendum vote of all Farm Bureau members in the country will be taken in the near future on all bills. Watch your local papers in the near future for information concerning the drive to be put on in the county.

County Agent Frank Lancaster was re-elected for the ensuing year.

FINDING HIMSELF.

Boston Transcript: The other day when the beach was crowded, a small boy, looking rather bewildered, approached a police officer and said: "Please, sir, have you seen anything of a lady around here?" "Why, yes," answered the officer, "I've seen several." "Well, have you seen any without a little boy?" "Yes?" "Well," said the little chap as a relieved look crossed his face. "I'm the little boy. Where's the lady?"

ISN'T THIS TRUE?

No one likes to hunt all over the house or office for his valuable papers.

Usually they are not wanted for months at a stretch and then they are wanted badly.

If you have a fire you must produce your policy, where is it? When does it expire?

If you have one of our safety deposit boxes you will find much satisfaction in looking over your private papers often.

THE O'NEILL NATIONAL BANK
O'Neill, Nebraska.

This Bank Carries No Indebtedness of Officers or Stockholders.

When Sleet Storms Come

When a sleet storm is reported on the way, telephone repairmen get busy.

Often before the storm has reached the place of threatened attack, linemen with emergency material are on the ground.

Every year thousands of dollars of damage is done to telephone property along country roads by wind and storms.

Sleet and lightning are the telephone man's worst enemies. Lightning hits only here and there, but often sleet breaks down miles and miles of poles and wires.

Give her a Hoover and you give her a life time of pride in an immaculate home. You give her an electric carpet beater that flutters out all injurious embedded grit, an electric carpet sweeper that brightens colors, straightens nap and collects all stubborn, clinging litter; and an electric suction cleaner that removes surface dirt. Only The Hoover combines these three essential devices in one, and it is the largest selling electric cleaner in the world.
