

O'NEILL-CHAMBERS GAME.

O'Neill and Chambers split a double-header at the high school gymnasium Saturday night, when the O'Neill boys won from Chambers to the tune of 23-8, and the O'Neill girls suffered a defeat by the score of 26-22. In the girls' game, the first half was a walkaway for Chambers, for the O'Neill athletes did not get into action until the second half. Here they overcame the lead and the second half ended with the score tied. In the play-off Chambers succeeded in caging the ball three times, while O'Neill's best effort was one basket, the Chambers' girls being victorious. Florence Gunn was the outstanding star, making almost every point credited to the O'Neill team.

The O'Neill boys quietly got away to an early start and never were headed. They displayed a flashy brand of team-work, and the outcome of the game was not in doubt from the start. Joe Beha, O'Neill's rangy center, scored most of O'Neill's points and was easily the shining light of the contests.

This week, the Ewing cagers invade O'Neill for a return contest on Friday night. The local athletes are out for revenge for the defeat two weeks ago, and the game promises to be a hot one.

Elgin Review: T. J. Mullen returned home last Saturday from Omaha where he had been with his little son Tommy to secure medical treatment for the boy. After consulting specialists who secured five different X-Ray pictures of his spine the boy was left in the care of a chiropractor. The specialists found the boy suffering from an injured spine and the time to effect a cure is somewhat problematical. The doctors says that it was caused from some injury received some

time ago and Tommy and Mr. Mullen says that it was caused by the rough handling of school and neighbor boys who had picked on him. Mr. Mullen says he hopes that this will not occur again either to his son or to any other boy.

The weather this month is a great contrast to that a year ago this month. Last December, the forepart of the month he thermometer was several degrees below zero every day.
