OPPORTUNITY IS KNOCKING AT YOUR DOOR!!

Will You Accept It Like Good Judgement and Thrift Dictate, Or Hold Back Waiting, Always Waiting for That Better Chance That Never Comes and be Left On the Rocks of Disappointment

"There is a Time and Tide in the Affairs of Men Which, if Taken at the Flood, Leads on to Fortune" But there is a limit to all things, both good and bad, and our prices have reached that limit. Spring Will Not Bring As Low Prices As We Are Giving Right Now.

For the simple reason the slump will be over then, factories will resume, new crops will be planted, money will be advanced by banks to carry on the year's business, and the re-established War Finance Board functioning by then, the new president and the financiers will not let the country go to the eternal bow-wows---never fear. So it is now or never for your real cheap prices.

And our Col. Dollar Bill Smih has marked the Prices Down on our First Class High Grade Goods until they are lower than shoddy stuff can be bought for. Just give the following the Once Over.
