Edison does both!

YOU get two kinds of music,—when you buy a New Edison.
The New Edison literally RE-CREATES music,—so perfectly that you feel you are listening to the living artist.
The New Edison will also play all the needle talking-machine records.

The NEW EDISON "The Phonograph with a Soul"

Always remember this! The New Edison does all that any talking-machine can do. And,—it also does all that any living artist can do.
You can pay cash for your New Edison, or you can spread out the payments. We will make a gentleman's agreement with any music-lover. Ask about our Budget Plan.
