CHAMBERS RAILROAD
HEARING ON AT OMAHA

Hearing of the application of the
residents of Chambers and vicinity, be-
fore the interstate commerce com-
mission, to compel the extension of
the Burlington railroad from Erickson
to Chambers is on at Omaha this
week. High officials of the road are
resisting the application, on the ground
that the extension never would be re-
numerative. They also contend that
they intend to build a connecting line
between O'Neill and Theford which
practically will serve much of the same
territory. As an evidence of good
faith in this latter contention survey-
ors have been ordered to go over the
route from O'Neill to Theford and
cars for them already have been en-
gaged from O'Neill garage men. The
Chambers hearing is the first of its kind
ever to be held. If the Chambers line
is ordered built railroad men say that
it will be the beginning of an era of
extensive railroad extensions with the
government financing the projects.

MORE LOCAL MATTERS.

Harvey Shaw of Atkinson, Neb., has
filed suit in federal court at Norfolk
against Fred A. Haase and Charles W.
Haase asking \$20,000 which he claims
is due him from the defendants fol-
lowing an exchange of hardware stock
for Minnesota land.

James McPharlin and Ed. O'Donnell,
leaders in the "Exterminate The
Crow" movement, killed a dozen crows
and destroyed more than a hundred
eggs on a crow hunt Sunday. The
week previous they got nine crows.
Plans now are being considered for
concerted action against the crows in
all sections of Holt county from now
until the first of May, this being the
nesting season and the one in which
they are easiest destroyed.

Those interested in the extermina-
tion of the crow, a bird destroyer and
a carrier of disease, are notified that
Sunday has been designated as crow
hunt day. Each is requested to shoulder
his gun and go forth to hunt and
kill the crow. This is the nesting
season for crows and they easily are
approached and killed on the nest.
The nests also should be destroyed. A
concerted action Sunday and for a few
Sundays following will mean the ban-
ishment of the crow from Holt county.

Inman Leader, April 7.—The seven-
ty-fifth anniversary of the birth of
Mrs. David Goree was celebrated last
Sunday at the home of her daughter,
Mrs. Dewitt Derby southwest of In-
man, by the children and grandchild-
ren. Mrs. Goree is one of Inman's
oldest settlers and the occasion of the
gathering was another of those deli-
ghtful ones marked by the presence
of three generations. Those present
from a distance were Mr. and Mrs.
Harry Norton and Mr. and Mrs. Sam-
bell of Norfolk, and Mr. and Mrs.
Harry Clausen of O'Neill.

Inman Leader, April 7: A com-
munity club has been organized by the
women of Inman. The first meeting
was held at the home of Mrs. A. N.
Butler March 22. The following offi-
cers of the new club have been elected:
Mrs. Harry Harte, president; Mrs.
Harvy Renner, vice president; Mrs.
Leon Tompkins, secretary and treas-
urer. The purpose of the club is for
community betterment along all lines.
It was decided to meet once a month,
or the third Tuesday of each month.
The next meeting will be held at the
home of Mrs. Jay Butler, April 19.

MRS. ANDREW GALLAGHER.

nouncing the death of Mrs. Andrew

Local Manager Wanted

Unusual Opportunity for Right man.

A large brokerage firm doing a suc-
cessful business with well-rated com-
panies throughout the country, wants
a capable man at once to develop and
handle their local business.

The opportunity is an unusual one
because of the possibilities offered for
substantial earnings in a highly re-
spectable business which will steadily
increase as it becomes more firmly es-
tablished locally.

The position requires a man posses-
sing executive and sales ability with
business experience and having com-
mercial banking connections, although
no investment is necessary. He may
devote only a portion of his time to
the business at first if desired, though
we prefer a man who is able and wil-
ling to give the business his entire
time and best efforts.

The local branch should pay from
\$2,500 to \$10,000 the first year, ac-
cording to population and the ability
of the manager, as the commodity
which we handle is a staple, always in
demand, and which our large buying
facilities permit us to sell at less than
average market prices.

Owing to the demand, we must fill
this position at once. Send your ap-
plication to Guarantee Coal Mining
Co., Como Bldg., Chicago, Ill., but do
not write unless you can satisfy us as
to honesty, reputation and business
ability. 45-1p
