BACK BAD TODAY?

Backache is usually kidney-ache and makes you dull, nervous and tired. Use Doan's Kidney Pills for weak kidneys—the remedy recommended by your friends and neighbors. Ask your neighbor!

J. M. Ashley, O'Neill, says: "I used Doan's Kidney Pills when I was a boy and have always used them since. I never was really down with my back but at times it has bothered me and pained so I could hardly keep going. Sharp pains would dart through the small of my back and the kidney secretions would be highly colored and in other ways unnatural. This last attack came on after having the measles. I was then thirty years old. After taking the first few of Doan's Kidney Pills I could see a change for the better and kept on with them until I had used three boxes which I got at Reardon Bros.' Drug Store. I was cured of the trouble and my kidneys were put in a strong and healthy condition again. I am glad to give Doan's credit for the cure has been wonderful."

PLEASANT VIEW NEWS.

Miss Jennie Soukup returned Friday from Lincoln, Nebraska. She has resigned her position there for the present to assist at home during the illness of her mother.

Mrs. Mabel Hayne entertained the Degree of Honor last Friday. Nearly all were present and spent a very enjoyable afternoon.

Miss Helen Townsend closed a successful term of school last Friday. All are hoping to see Miss Helen back the first of September.

The Page ball boys went to Royal last Sunday where they were defeated, the score being five to six in favor of Royal.

Little Gertrude Davenport has been very sick the past week with Bronchitis.

Mrs. G. W. Lush gave a birthday party last Sunday in honor of her daughter Mary, it being her fifteenth birthday. About four o'clock a delicious lunch was served. All returned home wishing Mary many more happy birthdays.

F. L. Lancaster and J. L. Quig of O'Neill, were in Pleasant View Monday.

SCOUT DEPARTMENT.

Troop No. 1.
The Chemical Foundation, N. Y., is sending each troop a book, "Creative Chemistry," a book chock full of why the young man of today should go in for chemistry. Portions of this treatise will be read at the next meeting. The book hints that the yellow peril is no myth and that this country can do worse things than improve its chemical warfare knowledge.

Now the thrush whistles a jazz in the Cottonwood and the candidate says: "Maw, kin I go swimmin'?"

Scouts planning on winning merit badges this summer sign up with Jess Mills.

Arthur King has signified his intention of taking his tenderfoot tests. Three more handbooks have been received. Call for them.

A shirt, hat and stockings has been received. Size 16. Whose order? No record.

Scouts George Stannard, Leslie Uhl and McKinley Simonson have made a tennis court just north of D. H. Cronin's residence.

Please bring in your enrollment sheets. Turn them in to your Scribe. Gaylord Hendrick has requested he be voted a member of Troop 1.

A committee to devise means to furnish the meeting room is to be elected at the next meeting.

Only 13 scouts at the last meeting. The carnival is said to have left town. Sunday afternoon hike to Dry Creek if the weather permits. Cooking tests may be taken on this trip.

Troop No. 2.
Met at the schoolhouse last Monday night at 7:00 o'clock, drilled until 8:00 o'clock; then held our business meeting. There were 26 scouts present. The contest is doing fine. The Mongoose patrol is ahead, the Flying Eagles second, the Owls are seven points behind them while the Beavers are at the rear.

Lec Ryan, Eli Abdouch and Albert Satrang were given their badges and registration cards.

Charles Downey has returned from the Military Academy at Kearney, Nebraska, and is joining Troop 2.

Wayne Cole has passed his second class signaling test.

Next Monday night, Troop 2 will give another Illustrated Lecture at the First Presbyterian Church, the subject is a trip through the Yellowstone National Park. Come and enjoy yourself. The program starts at 7:30 o'clock. Refreshments will be served afterwards.

EDUCATIONAL NOTES.

The dates of the next Teachers' Examination are May 27 and 28. A change in the examination program will be made on account of the two days for examination. Examination Programs will be sent from this office upon request.

Four hundred eighty-one registration numbers have been assigned to those taking eighth grade examinations this year.

A copy of the new "School Laws of Nebraska" will soon be ready to mail to each director in the county. Should any director fail to receive a copy before the annual meeting please notify me.

The rate of Free High School Tuition has been changed from \$54.00 per year to \$108.00 per year.

A new law provides that Teachers' Institutes may be held any time of the year for a period not less than two nor more than three days, and salaries of teachers in attendance shall not be suspended if schools are in session.

Miss Esther Shaughnesy, teacher in District 38, reports a basket social and program April 2nd. The proceeds, \$40.75 to be used in purchasing playground equipment.

All pupils desiring free high school tuition must have their applications on file in this office by June 1st.

Each district in the county having an educational exhibit should send same to the County Superintendent when their school closes so this work can be mounted. Only work done under the supervision of the teacher during this school year will be accepted.

The NEW EDISON
"The Phonograph with a Soul"

The Price of the NEW EDISON has increased less than 15% since 1914. Mr. Edison has sacrificed millions in order to keep his favorite invention within the reach of everyone.

Would you like to know Mr. Edison's Favorite Tunes?

YOU know Mr. Edison, the scientist — now meet Mr. Edison, the music lover. Almost every day, Mr. Edison sits close to his Official Laboratory Model, hand cupped to ear, and enjoys his favorite RE-CREATIONS.

Mr. Edison has his own private collection of RE-CREATIONS. He has built it up with the discrimination of a confirmed collector.

We have just received a booklet containing 25 of his favorite tunes. This booklet is entitled "What Edison Likes in Music", and interestingly describes Mr. Edison, the Music Lover.

If you would like a copy of this booklet, together with a 12" x 19" proof of Franklin Booth's etching of Mr. Edison, please fill out this ballot and mail or bring it to us.

What other well-known person's favorite tunes would you like to know? Please write his or her name on the ballot.

Mr. Edison's love of music has made the phonograph his favorite invention. He spent over three million dollars in research work to perfect the New Edison.

Then, to prove its perfect realism, he stood the New Edison side by side with the living artist and matched its performance with the actual performance of the living artist. No one was able to detect any difference between the two. This is the only true way to prove the realism of a phonograph or talking machine — and the New Edison is the *only* phonograph which sustains this acid-test of direct comparison.
