### J. F. GALLAGHER ELECTED PRESIDENT FIRST NATIONAL

At a special meeting of the board of directors of the First National bank, held in this city the first of the week, J. F. Gallagher, for years cashier of the institution, was elected president to succeed the late E. F. Gallagher. T. F. Birmingham, who has been vice president of the bank for several years, retains his position. Ed. T. Campbell, who has been the assistant cashier for the past four or five years, was elected cashier and E. M. Gallagher and Hugh J. Birmingham were added to the board of directors.

J. F. Gallagher, the new president of the First National, has been an employee of the bank for twenty-two years and is one of the best known bankers in this section of the state. Twenty-two years ago "Jim" was a telegraph operator in the employ of the Northwestern when he quit the road and entered the bank as bookkeeper. From that position he advanced to assistant cashier and was then made cashier, a position he held for several years. He knows the banking business from the ground up and is very popular with the patrons of that institution. With him at the head of the bank the First National is bound to continue as one of the leading financial institutions in the state.

At this meeting of the directors the following tribute to the memory of the late president, Ed. F. Gallagher, was unanimously adopted:

"Whereas, Divine Providence has removed from our midst Edward F. Gallagher and whereas, for thirty years his guiding hand, his unceasing efforts and loyal devotion have been the dominant factors in placing this institution in the foremost ranks, and whereas, death has ended his mortal career, still this institution which he built so well speaks in silent eulogy the merits of the man. Therefore be it

"Resolved, That in his death this institution has lost a loyal, untiring and brilliant executive. That we the directors have lost a kind, loveable associate and leader.

"Resolved, Further that we extend our heartfelt sympathy to the widow and family in this the hour of their bereavement and loss.

"Resolved, Further, That this resolution be spread upon the records and a copy transmitted to the family of the deceased.

T. F. BIRMINGHAM,  
J. F. GALLAGHER,  
FRED H. SWINGLEY,  
Board of Directors."

### MURDERED MAN FOUND IN NIOBRARA RIVER

The mutilated body of a murdered man, supposed to be John Mize of Platte, South Dakota, was found in the Niobrara river at the Reiser ranch, about a half mile below the Parshall bridge, Saturday afternoon by three Butte fishermen. The feet were tied together and the arms had been wired over the head and shoulders. A hole above the left ear, from which the brains had run into the head covering, and a cut and lacerated lip indicated that the man had been murdered before being thrown into the water.

Sheriff Duffy and County Attorney Chapman immediately were notified and Sunday the sheriff recovered the body and held an inquest, a verdict of murder being returned. Checks and a bank statement found on the body indicated that the man was John Mize of Platte, S. D., and the description of Mize given by acquaintances so tallied with that of the dead man as to practically make identification certain. He is described as a man about fifty-five years old, slightly bald and gray, with smoothshaven face but a several days growth of beard. The body according to physicians had been in the water for a number of days. Holt county, state and South Dakota officials are at work on several strong clues which are expected to result in several arrests soon. Mize was buried at Butte Sunday.
