Is Your Time Worth Money

When you see a person running all over town to pay his month's bills with currency, you naturally conclude that one of two things is true, either his time has very little value or else he does not appreciate what a checking account will do for him.

Come in and let us explain the advantage of a checking account with this bank.

O'NEILL FOOT BALL TEAM CHANGES LINE-UP

The O'Neill Foot Ball team has been practicing hard for the past week for their game with Tilden Friday at that place.

A shoe clerk as a referee, who allowed his opponent to kick him around the ring freely, was responsible for the defeat of Jack Ivy in his ten round boxing contest with Jerry Vokoc of Verdigris, is the alibi that Mr. Ivy put up to City Commissioner John Hopkins on his return to Omaha from this city fair week. It is readily understood by those who witnessed the mill that Mr. Ivy in his dazed condition after he had stopped a couple of Mr. Vokoc's swings might have mistaken them for kicks. An opponent of Mr. Vokoc on a previous occasion over in Knox county accused the referee of permitting the Bohemian to hit him with a stake maul.

Citizens and taxpayers anxious to keep in touch with the city's development should visit the city pumping station where extensive improvements quietly are being made. The interior has been re-arranged and dressed up with a new coat of paint, the new pump so set as to enable easy access to all its parts, the old pump connected up for emergency purposes and a scheme of general arrangement carried out to permit of future enlargement and an installation of a city lighting plant at minimum outlay. The extension of the water mains in the south and west part of the city is progressing rapidly. When the work is completed the city will have one of the most complete and efficient water systems of any of the smaller cities of the state.

Violators of the liquor laws in Holt county this week were confronted with a federal penalty new at least in this community. Tuesday the internal revenue department filed a federal tax lien on the property of George Janacek of Atkinson, for the sum of \$533.86, the filing of the lien being made with the clerk of the district court and the county clerk. The notice of lien states that it is an "additional penalty tax assessed" as a retail liquor dealer tax for five months of 1921. The section of the federal statute quoted in making the filing says that the lien must be entered

greatly improved the team. Four of these players were placed in the line and made it as strong as a stone wall. Long Pine smashed the O'Neill line time and time again but without success. Joe Saunto, the powerful guard of O'Neill eleven, weighing 189 pounds, is beyond resistance. He has never been known to let his man through. Fred Warner the star half of the team, has made 100 yards in 10 1/2 seconds and tore the full length of the field for a touchdown in the last game. Ralph Mellor also shows up well for his speed and cleverness at end. George Stannard holds down the other end in fine shape. Joe Beha, O'Neill's full back has never been known to fail to boot the pigskin into the other team's territory when his team needed his assistance.

Owen McPharlin is the best quarter that the O'Neill team has found in several years.

Archie Faulhaber is always called on to smash the line for first downs.

Ben Gilligan, O'Neill's rangy center, holds down his position well.

Leslie Uhl, Don Enright, Quinten Aaburg and Murie Hatch played exceptional good game on the line.

O'Neill plays Bloomfield on the local gridiron October 21st.

SILVER WEDDING.

Stuart Advocate: Wednesday, Oct. 5th, was the twenty-fifth anniversary of the marriage of Mr. and Mrs. John Schneider and in honor of this occasion their relatives who live here and at Atkinson, appeared at their home—seven automobile loads of them, and escorted Mr. and Mrs. Schneider down to the C. K. of A. hall, where a regular feast had been prepared.

All of this was a complete surprise to Mr. and Mrs. Schneider although their daughter, Miss Catherine was in the "know."

Dancing served to entertain those present until a late hour. A beautiful set of silverware was presented by the guests, also a number of other presents, to commemorate the event.

COLUMBUS DAY OBSERVANCE.

A large audience at the K. C. hall Wednesday evening, gathered for the observance of Columbus Day, were privileged to listen to a program, given under the auspices of the Knights of Columbus, of vocal and instrumental music and oratory single features of which were of a quality lovers of these things at times have crossed the continent to hear. It included a number and encore by Miss Ellen Clare Donovan of St. Paul, Minn., who is the guest of her sister, Mrs. W. F. Finley, a vocalist whose voice already has attracted international attention and who maestros declare is this country's greatest young soprano; a violin and piano recitation by Mr. and Mrs. Clifford B. Scott, artists recognized as the equals of any; a solo by Miss Mary Fitzsimmons whose beautiful voice would assure her an operatic career did she but care to embrace it; a reading by Miss Mary Witherow whose talent as an elocutionist and reader is its own commendation; and an address on the life of Christopher Columbus, by Mr. Frank Harrington, which was an education on the career of the great discoverer who is treated of all too briefly and most inaccurately by historians. Mr. Harrington is a master of language and diction and is possessed of that pleasing quality of expressing himself in simple words which is the secret of true oratory. J. P. Golden presided as chairman of the evening entertainment, which was followed by a dance. Supper was served by the Catholic ladies previous to and during the dance.

The tournament, which started last Sunday, was to have been concluded in time for the banquet to be tonight, but owing to some of the boys getting the buck some of the matches have not been played off and the banquet as a consequence is postponed until next Thursday.

The midsummer golf tournament at last has been concluded. Tuesday the finals for the president's cup, between J. M. Hunter and J. F. O'Donnell, which were interrupted several weeks ago by Mr. Hunter's illness, were played off, Hunter defeating O'Donnell six up with five to go, which is another triumph for the farmers over the bankers.
