CAN'T DO THE WORK.

It's too much to try to work every day against a constant, dull headache, or sudden darting pain in the small of the back. Be rid of it. Try Doan's Kidney Pills. Your neighbors recommend them. Ask your neighbor.
 Mrs. Minnie Bowen, O'Neill, says: "I had backache and a heavy dull pain in my kidneys that seemed to wear me all out. I couldn't get much rest at night and it was all I could do to keep at my work. There was a severe pain in the back of my head and through my shoulders. My kidneys were weak, and caused annoyance, but Doan's Kidney Pills relieved me completely."
 The above statement was given June 20, 1916, and on June 14, 1920, Mrs. Bowen added: "I still think Doan's Kidney Pills are a good kidney remedy. It has been a long time since I have had need of a kidney remedy." 60c, at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

INCOME TAX FACTS.

To avoid penalty, income-tax returns must be in the hands of collectors of internal revenue on or before midnight, March 15, 1922.
 Every taxable return must be accompanied by a payment of at least one-fourth of the total tax due. Extensions of time for filing returns are allowed only in exceptional cases, illness, absence, etc. Applications for extensions under these circumstances should be addressed to the collector of internal revenue for the district in which the taxpayer lives. No extension beyond thirty days can be granted by a collector. Requests for further extension must be addressed to the Commissioner of Internal Revenue Washington, D. C.
 For failure to make a return on time the penalty is a fine of not more than \$1,000, plus 25 per cent of the tax due. For failure to pay tax when due or for understatement of the tax through negligence there is a penalty of 5 per cent of the tax, plus interest at 1 per cent a month until paid. For making a false or fraudulent return the penalty is a fine of not more than \$10,000, or not exceeding one year's imprisonment, or both, together with the cost of prosecution and an additional assessment of 50 per cent of the amount of tax paid.

M. E. CHURCH NOTES.

The Epworth League will hold a carpet rag social, next Friday evening in the church basement. The ladies are asked to bring a ball of carpet rags with their name on inside of the ball. Each lady is wanted to bring lunch for two. All are cordially come, both young and old. A program will be given free.
 A return missionary, Miss Watson, will give a lecture on her work in Japan, next Sunday evening. Miss Watson has had many years experience in missionary work in foreign fields and she will be able to give many interesting stories of the foreign work. Don't fail to hear her Sunday evening.
 The Good Cheer class realized \$33 from their lunch sale last Saturday. The proceeds will go towards paying the debt on the parsonage building.
 The pastor was much encouraged to see so many folks attending preaching services and Sunday school last Sunday. The church going habit is a good one. It speaks well for your city and community to have churches well attended. We trust that every one in O'Neill and community will help to build up the churches. May we see you with us next Sunday.
 Clyde L. Hershiser and Jennie Edna Ethel Wayman were married Saturday morning, March 4th, at the M. E. parsonage. They were attended by the bride's brother Edwin and sister, Linda.

BLUE POLE ROAD MEETING.

Brown County Democrat: The Blue Pole Road meeting at Long Pine last Friday evening, was the most enthusiastic affair of like nature ever held in Northwest Nebraska, and every town between Norfolk and Chadron was represented, with one single exception—Battle Creek. A total of 140 boosters, representing 29 towns were present. The road will follow the Northwestern railway quite closely. Formal organization was perfected by the election of the following officers:
 President, W. H. Blakeman, Norfolk; first vice president, W. T. White, Chadron; second vice president, Geo. F. Wolz, Fremont; secretary-treasurer, Burton Brown, Norfolk.
 The directors selected are: W. S. Crook, Meadow Grove; W. F. Parker, Wood Lake; R. E. Jones, Springview; E. L. Davies, Ewing; H. A. Cote, Nenzel; Will Hollstein, Rushville; A. H. Jensen, Neligh; A. W. Honnen, Johnston; Arthur Bowring, Merriman; C. T. Bowen, Ainsworth; E. C. Cole, Gody; A. B. Green, Valentine; F. C. Duerfeldt, Gordon; F. S. Gatenby, Clearwater; Walter P. P. White, Chadron; C. A. Nekman, Ell; Joseph Gilg, Newport; George F. Wolz, Fremont; W. E. Preble, Bassett; W. A. Douglas, Atkinson; T. V. Golden, O'Neill; Chas. H. Frady, Okadale; William Krotter, Stuart; R. H. Hamilton, Long Pine; Theo. H. Strenger, Norden; George W. Davies, Inman; A. W. Breyer, Norfolk; E. H. Sutherland, Tilden; Carl S. Horn, Hay Springs.
 Directors for the towns east of Norfolk are to be added to the board later. The first official action of the new organization was instruction to directors in each town to secure logging of the route through each county. This will be filed immediately with the state in order to secure a complete marking and official approval of the route selected.
 The biggest feature in the debate was the light which Springview delegates inaugurated for this deviation from Stuart. These delegates declared that they had marked the Blue Pole route about nine years ago and after the smoke of battle had cleared away, they indicated willingness for the designation of a straight Blue Pole highway west from Stuart, but preferred a secondary system highway via Carnes. The directors passed on these questions in executive session, the straight Blue Pole road motion carrying by a vote of twenty-five to three and the proposal for a secondary system via Carnes and Springview failing of passage. While this was the pivotal question in determining the action, it was indicated that the local situations were going to be left to the various communities where such matters can be threshed out more intelligently.

The blue pole highway marking will be of blue with white letters "B. P. H." The constitution and by laws which were adopted were similar to those adopted by the Grainland highway association. Membership in the association will be \$1. Life memberships cost \$10 and were taken out by a score of commercial and community clubs. This money is to be used for the marking of the highway and for other incidental expense.
 The entire assembly showed appreciation of the entertainment given by the Long Pine people by rising votes of thanks. Appreciation was extended to the Greater Norfolk association for the part it has played in helping to bring the Blue Pole road boosters together for co-ordinated action which is hoped to result in pulling many important towns out of almost impenetrable sand and bad road conditions. Similar appreciation was extended to the newspapers and all those who are taking such an important part in helping to build up the system of Nebraska roads.
 The delegates declared that Long Pine did herself proud in the matter of entertainment of the delegates, with a banquet and other features. The "Blue Pole" scheme was followed out closely by Long Pine merchants in window decorations, etc., and some were very attractive.
