JUST GOT OVER A COLD.
Look out for kidney troubles and backache. Colds overtax the kidneys and often leave them weak. For weak kidneys—well, read what an O'Neill man says:
C. F. Maben, says: "Catching a cold sometimes put my kidneys in a weakened condition and were highly colored. It was through the advice of a neighbor that I first tried Doan's and which I got at Reardon Bros.' Drug Store. Three boxes corrected this trouble and I have not been bothered since. I can certainly recommend Doan's from the lasting cure they made for me and I believe them to be the best remedy one can use for kidney trouble."
Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Maben had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

ASSESSORS URGE APPOINTMENT OF PRECINCT AIDS
(Omaha Bee)
Lincoln, March 17.—Discontinuance of present method of electing precinct assessors will be urged upon the next session of the legislature as part of the tax revision to be presented to the lawmakers, provision for which was made at the special session of the legislature.

Discussion of the abolishment of this custom was the chief unofficial discussion participated in by 60 county assessors gathered here today at their annual meeting.
Those favoring the appointment method claim that precinct assessors elected in a small community haven't the heart or inclination in many instances to exact the fair valuation of property from a life-long neighbor and social friend.

Another charge launched against the present system is that many men unfit for such work are elected and men of influence in the small precincts can carry an election for a man who will cut his valuation and thus work inequalities in taxation.
Drafting of legislative ideas to be presented to W. H. Osborne, state tax commissioner, was placed in the hands of a legislative committee. This committee consists of H. B. Tyler, Valentine; A. M. Clark, Hastings; W. G. Counsman, Omaha.

Arguments arose as to whether county commissioners had a legal right to combine the office of county assessor and county clerk. This is reported to be one of the favorite methods of effecting economies in county government at this time. A test case was suggested.
The assessors adopted resolutions agreeing to make the 1922 valuation the same, where possible, as that of 1921. The legislature at its regular session took cognizance of the plight of the farmers in dropping of price of land and products and permitted a 15 per cent drop in valuation of farm land in 1921.

Another resolution provided that pedigreed stock should be assessed 50 per cent more than ordinary stock. It also was agreed to deduct 15 per cent from valuation of 1922 model motor car or truck, 30 per cent from 1921 models, 50 per cent from 1920 models, 70 per cent from 1919 models and common-sense reductions on more ancient models.
Officers elected are O. C. Bell, Lincoln, president; P. D. Tyler, Valentine, vice president; G. J. Mumford, Beatrice, secretary-treasurer.

BIG CLEARWATER ROAD MEET.
(Neligh Register)
The Clearwater-Neligh-Ewing section of the Blue Pole highway will be routed west from Clearwater into Ewing over the Ewing federal aid project, he road known as the present south route.
This problem which has been annoying road boosters in that territory was satisfactorily settled at one of the best road meetings ever held at Clearwater last Thursday evening when about 150 road enthusiasts from Clearwater, Ewing and Neligh got together and organized for complete support of the Blue Pole highway and its improvement in the vicinity of those cities. More life memberships and more than fifty individual memberships in the Blue Pole highway association were taken out. Ewing was quite anxious for the route selected and much pleasure was expressed over the settlement due to the fact that the route had been previously recommended by the department of public works.
The meeting at Clearwater was called by F. S. Gatenby, director at Clearwater; A. H. Jensen, director at Neligh; and E. L. Davies, of Ewing. Each director was backed by a large following of road boosters who wanted the question of routing the Blue Pole route settled. The difference of opinion was whether to route the road north of Clearwater thence west into Ewing or follow the south route. The latter route was decided upon after a long discussion. The agreement followed the decision of all concerned to perfect such an organization that the road in question will be made one of the best in the state.
Those from Neligh in attendance were: A. H. Jensen, J. C. Harris, Perry Peterson, G. E. Thornton, M. J. Romig and D. C. Fletcher. Following the meeting the Clearwater community club provided a supper for the visitors and those in attendance.
