He states that it has been seventeen years since he left O'Neill and that he is contemplating a visit here this summer. He sends kind regards to the "boys."

Atkinson Graphic: Mrs. S. E. Kelley from Tabor, Iowa, was here the first of the week returning Wednesday. Mr. and Mrs. Kelley have purchased the Moore property and expect to occupy it sometime in May. Their many friends will welcome their return to Atkinson to make their home. Mr. Kelley was elected Mayor of the city although they were warned that he would soon leave. Tabor will be under the necessity of getting a new Mayor.

George Hansen, of Agee, has disposed of his personal belongings and this morning went to Neligh where he will join Mrs. Hansen, who has been visiting with their daughter, Mrs. A. B. Roberts. From Neligh Mr. and Mrs. Hansen will go to Los Angeles, California, where they will make their home. Mr. and Mrs. Hansen have farmed for the past forty years and are going to enjoy the remainder of their lives among the sunshine and flowers of the Pacific slope.

The excavation and preliminary arrangement for the foundation for the new filling station to be erected by the O'Neill Gas & Oil Co., is nearing completion and the construction of the building will begin soon. The building will be 66x22 feet and will be placed diagonal upon the lots. Hollow tile and stucco will be the materials used in its building. There will be three driveways. The grounds around the station will be covered with a well kept lawn, a flower garden and other decorations that will tend to beautify the place, is the intention of the company.

**THE GREATEST FARMER  
IN THE WORLD**

One fourth of the wheat we grow is the result of the researches of the Government. After years of untiring experiment and investigation, the Government, through the Department of Agriculture, was enabled to introduce into this country the remarkable Durum wheat through which our production has been increased fully twenty-five per cent. This has been only one of many surprising but little-known accomplishments of the Government, which are covered in the interesting series of stories for which we have the exclusive right of distribution in this community.

We'll send this literature to you each month without obligation on your part if you will ask for it.

The Holt County Crow Extermination Association made an official visit to the L. W. Arnold ranch twenty miles north, last Sunday and as a result there are two hundred less crows in that locality. The boys say that hundreds of eggs were destroyed also. Those who were out Sunday say that there are no song birds in that part of the country, not a song bird was seen during the hunt which is an indication that the crows have destroyed their nests and killed the young ones until the songsters are about extinct. The Association are asking the farmers to help get rid of the crows by destroying their nests now. Each farmer can destroy a few nests during the hatching season each year which will greatly reduce the number of crows.

  
**It Will Pay You  
To Stop And Think**

Stop and think for a moment of the people you deal with.

Some are indifferent, some careless, or independent, while others find it too much trouble to try to please.

This is the principal reason you change from one to the other.

It is your effort to find the one, who really shows by his service that he wants your business.

We think we can give you a service that will add to your profits.
